Luckily, all Toyota models have a fairly easy placement of the
information sticker, so you can find the color code quite quickly.
You should check the driver side door jamb or the frame of the
door. It has to be there, and the paint code itself should consist of a
few mixed characters of numbers and letters, sometimes after a
specified color name (keep in mind we only need the code not the ...

The Toyota Camry (XV10) is a mid-size car that was produced by
Toyota between 1991 and 1996 in Japan and North America, and
1993 and 1997 in Australia. The XV10 series represented the third
generation of the Toyota Camry in all markets outside Japan, which
followed a different generational lineage. The XV10 Camry range is
split into different model codes indicative of the engine.
