Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of the

three forces of suspension that you must understand to make accurate assessments of your suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem.

Facing up to the social changes in nineteenth century Italy, an elderly aristocrat arranges a marriage between his daughter and a wealthy merchant

Bestselling author Robert K. Tanenbaum astonishes readers with *Fury*, his most explosive book yet in the staggeringly popular Butch Karp/Marlene Ciampi series. In Brooklyn, a female jogger is brutally raped; the assailants are convicted and later exonerated by the Kings County DA. Now the guilty are filing a multimillion-dollar lawsuit against the city of New York, the police, and the two assistant DAs who tried the case. While the cops and the criminal justice system are under media assault and opportunist political demagoguery, Karp has suspicions that there is corruption within his own office. Against a backdrop of Russian mobsters and corrupt lawyers, Butch and Marlene are on a mission to restore the system's lost dignity and bring the rapists to justice. All the while terrorists are at it again, planning to blow the roof off Times Square on New Year's Eve. Alas, the Karp family finds itself in lethal jeopardy,

and to survive, they must team up and fight their greatest battle yet. Robert K. Tanenbaum has written a mindboggling thriller involving a web of corruption and courtroom confrontations. Fans of Butch Karp, as well as the classic New York crime drama, will find plenty to sink their teeth into with Fury.
