OUR CULTURE HAS BECOME  
OBSESSED WITH HUSTLING. As  
we struggle to keep up in a  
knowledge economy that never  
sleeps, we arm ourselves  
with life hacks, to-do

# Online Library 2010 Ducati Multistrada Wallpaper

lists, and an inbox-zero mentality, grasping at anything that will help us work faster, push harder, and produce more. There's just one problem: most of these solutions are making things worse. Creativity

# Online Library 2010 Ducati Multistrada Wallpaper

isn't produced on an assembly line, and endless hustle is ruining our mental and physical health while subtracting from our creative performance.

Productivity and Creativity are not compatible; we are

## Online Library 2010 Ducati Multistrada Wallpaper

stuck between them, and like the opposite poles of a magnet, they are tearing us apart. When we're told to sleep more, meditate, and slow down, we nod our heads in agreement, yet seem incapable of applying this

# Online Library 2010 Ducati Multistrada Wallpaper

advice in our own lives. Why do we act against our creative best interests? WE HAVE FORGOTTEN HOW TO FLOAT. The answer lies in our history, culture, and biology. Instead of focusing on how we work, we must

# Online Library 2010 Ducati Multistrada Wallpaper

understand why we work—why we believe that what we do determines who we are.

Hustle and Float explores how our work culture creates contradictions between what we think we want and what we actually need, and points

the way to a more humane,  
more sustainable, and, yes,  
more creative, way of  
working and living.

Riding motorcycles is fun,  
but author Ken Condon  
maintains that there is a

## Online Library 2010 Ducati Multistrada Wallpaper

state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally

## Online Library 2010 Ducati Multistrada Wallpaper

present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your

# Online Library 2010 Ducati Multistrada Wallpaper

body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon

# Online Library 2010 Ducati Multistrada Wallpaper

identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of

# Online Library 2010 Ducati Multistrada Wallpaper

each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set.

How do you replace a legend?  
For Ducati, the Italian  
motorcycle manufacturer  
worshiped by racers and  
riders all over the world,  
the answer was to start from

scratch. When the company decided to produce a successor to its immensely popular 916/996/998 series, it allowed designer Pierre Terblanche to create a completely new bike built from the inside out. This

approach resulted in a radically styled motorcycle whose improved ergonomics offer greater comfort and control, with more agile handling at all speeds. Ducati also broke with tradition by allowing

production. In an industry  
where product plans and
