With 30-Second Economics edited by Donald Marron, the main issue is that the book doesn't go into depth in any of the subjects it talks about. However, that is the main idea of this series, to cover a wide swath of a field without going too far down. Some books exist merely to serve as conversation

"30-Second Economics" is to serve as
an easy reference to both the great
economic ideas and some of the
people who've influenced economic
theory. Each idea is supposed to take
thirty seconds to cover, it actually
takes a little longer.
