Journal Of
Nursing
Professional and
nursing shines in this.
Covers so many
different topics, great
writing and love that
things are carefully
checked. There are
few journals that
cover the politics that
underlie health care
and news that affect
nursing - that's one
reason this is worth
reading.

of nurses not as
powerless but rather
as strong, often
independent, women
who take life fully into
their own hands.

Suffering is an
unavoidable reality in
health care. Not only
are patients and
families suffering but
also the clinicians
who care for them.

Download Free American

Commonly the suffering experienced by clinicians is moral in nature, in part a reflection of the increasing complexity of health care, their roles within it, and the expanding range of available interventions. Moral suffering is the anguish that occurs when the burdens of

Download Free American

treatment appear to outweigh the benefits; scarce human and material resources must be allocated; informed consent is incomplete or inadequate; or there are disagreements about goals of treatment among patients, families or clinicians. Each is a source of moral

This is a timely book that shines a light on a practice that often goes unseen, and which has tangible implications for healthcare policy and practice.

The Future of Nursing explores how nurses' roles, responsibilities, and education should

Download Free American

Journal Of
Nursing

change significantly to meet the increased demand for care that will be created by health care reform and to advance improvements in America's increasingly complex health system. At more than 3 million in number, nurses make up the single largest segment of the health

Download Free American

Journal Of
Nursing
care work force. They also spend the greatest amount of time in delivering patient care as a profession. Nurses therefore have valuable insights and unique abilities to contribute as partners with other health care professionals in improving the quality and safety of care as

Download Free American

Journal of the
Nursing
envisioned in the
Affordable Care Act
(ACA) enacted this
year. Nurses should
be fully engaged with
other health
professionals and
assume leadership
roles in redesigning
care in the United
States. To ensure its
members are well-
prepared, the
profession should

Download Free American

Journal Of
Nursing
institute residency
training for nurses,
increase the
percentage of nurses
who attain a
bachelor's degree to
80 percent by 2020,
and double the
number who pursue
doctorates.

Furthermore,
regulatory and
institutional obstacles
-- including limits on

Download Free American

nurses' scope of practice -- should be removed so that the health system can reap the full benefit of nurses' training, skills, and knowledge in patient care. In this book, the Institute of Medicine makes recommendations for an action-oriented blueprint for the future of nursing.
