Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as “perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the

## Online Library Anic Death Dream Ship American

descriptions of street life as a kind of ballet and the bitingly satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is

## Online Library Anic Death Dream Ship American

sensible, knowledgeable,  
readable, indispensable. The  
author has written a new  
foreword for this Modern  
Library edition.

In this wild battering ram  
of a novel, which was  
originally published to vast  
controversy in 1965, Norman  
Mailer creates a character  
who might be a fictional  
precursor of the philosopher-  
killer he would later  
profile in *The Executioner's  
Song*. As Stephen Rojack, a  
decorated war hero and  
former congressman who  
murders his wife in a  
fashionable New York City

# Online Library Anic Death Dream Ship American

high-rise, runs amok through the city in which he was once a privileged citizen, Mailer peels away the layers of our social norms to reveal a world of pure appetite and relentless cruelty. One part Nietzsche, one part de Sade, and one part Charlie Parker, An American Dream grabs the reader by the throat and refuses to let go. Praise for An American Dream

“Perhaps the only serious New York novel since The Great Gatsby.”—Joan Didion, National Review “A devil's encyclopedia of our secret visions and desires . . . the expression of a devastatingly alive and

# Online Library Anic Death Dream Ship American

original creative  
mind.”—Life “A work of  
fierce concentration . . .  
perfectly, and often  
brilliantly, realistic  
[with] a pattern of  
remarkable imaginative  
coherence and  
intensity.”—Harper's “At  
once violent, educated, and  
cool . . . This is our  
history as Hawthorne might  
have written it.”—Commentary  
Praise for Norman Mailer  
“[Norman Mailer] loomed over  
American letters longer and  
larger than any other writer  
of his generation.”—The New  
York Times “A writer of the  
greatest and most reckless  
talent.”—The New Yorker  
“Mailer is indispensable, an

# Online Library Anic Death Dream Ship American

American treasure.”—The Washington Post “A devastatingly alive and original creative mind.”—Life “Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance.”—The New York Review of Books “The largest mind and imagination [in modern] American literature . . . Unlike just about every American writer since Henry James, Mailer has managed to grow and become richer in wisdom with each new book.”—Chicago Tribune “Mailer is a master of his craft. His language carries you through the story like a

# Online Library Anic Death Dream Ship American

leaf on a stream.”—The  
Cincinnati Post

A book that instantly captured the hearts of readers across the country, *An American Childhood* is Pulitzer Prize-winning author Annie Dillard's poignant, vivid memoir of growing up in Pittsburgh in the 1950s.

A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days

# Online Library Anic Death Dream Ship American

when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they

## Online Library Anic Death Dream Ship American

elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

“The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational.”

—Kevin Kwan, author of *Crazy*

# Online Library Anic Death Dream Ship American

Rich Asians Amy Tan's beloved, New York Times bestselling tale of mothers and daughters Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or

## Online Library Anic Death Dream Ship American

to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse

## Online Library Anic Death Dream Ship American

themselves into these lives of complexity and mystery.

In the summer of 1860, more than fifty years after the United States legally abolished the international slave trade, 110 men, women, and children from Benin and Nigeria were brought ashore in Alabama under cover of night. They were the last recorded group of Africans deported to the United States as slaves. Timothy Meaher, an established Mobile businessman, sent the slave ship, the Clotilda, to Africa, on a bet that he could "bring a shipful of niggers right into Mobile Bay under the officers'

## Online Library Anic Death Dream Ship American

noses." He won the bet. This book reconstructs the lives of the people in West Africa, recounts their capture and passage in the slave pen in Ouidah, and describes their experience of slavery alongside American-born enslaved men and women. After emancipation, the group reunited from various plantations, bought land, and founded their own settlement, known as African Town. They ruled it according to customary African laws, spoke their own regional language and, when giving interviews, insisted that writers use their African names so that

## Online Library Anic Death Dream Ship American

their families would know that they were still alive. The last survivor of the Clotilda died in 1935, but African Town is still home to a community of Clotilda descendants. The publication of *Dreams of Africa in Alabama* marks the 200th anniversary of the abolition of the transatlantic slave trade. Winner of the Wesley-Logan Prize of the American Historical Association (2007)

A thirteen-year-old boy's trip to Venezuela with his cousin culminates in murder and the discovery of an unexpected bond with an Indian tribe, dating from
