our book.

This new offering from the Time Team duo of Robinson and Aston brings another entertaining and light-hearted book to our shelves. 'This is the story of a fantasy dig readers undertake in their back gardens to find out what bits of rubbish are buried there'. What starts out as a small hole grows into a full-scale excavation involving mechanical diggers, and reveals the remains of a Roman villa under a proposed supermarket. In amongst this story, the authors answer many of the frequently asked questions about archaeology and archaeologists, about the history of the

Where To Download Archaeology Is Rubbish A Beginners Guide

discipline and about how a dig works. Robinson and Aston are entertaining and amusing as always.

Sir Tony Robinson is a much-loved actor, presenter and author with a stellar career lasting over fifty years. In this autobiography he reveals how the boy from South Woodford went from child stardom in the first stage production of *Oliver!*, a pint-sized pickpocket desperately bleaching his incipient moustache, to comedy icon Baldrick, the loyal servant and turnip aficionado in *Blackadder*. It wasn't all plain sailing though. Along the way he was bullied by Steve Marriott, failed to impress Liza Minnelli and was pushed into a stinking London dock by John Wayne. He also entertained us with *Maid Marion and Her Merry Men* (which he wrote

Where To Download Archaeology Is Rubbish A Beginners Guide

and starred in) and coped manfully when locked naked outside a theatre in Lincoln during the live tour of comedy series Who Dares Wins. He presented Time Team for twenty years, watching countless gardens ruthlessly dug up in the name of archaeology, and risked life and limb filming The Worst Jobs in History. Packed full of incident and insight, No Cunning Plan is a funny, self-deprecating and always entertaining read.

An investigation into the geography, history, composition, mythology, demographics, and misperception of garbage discusses what human waste says about human beings'
