A truly inspirational memoir, this is Ed's story: an affecting, candid and wildly funny tale of one man's meteoric rise to the top of the retail and fashion world -

from heroin addict
to MD of Liberty,
one of Britain's
most iconic
institutions. Along
the way, Ed shares
his ups and downs:
the riotous
hedonism of the
1980s New York
and Florida party
scene; the
devastating impact
of the AIDS crisis,

during which he

his first job as a

his role in
transforming the

department stores;
his battle with drug
addiction and
depression; his

multiplicity of high-

top tips for

finally his coming

a stranger in a
strange land. At
