/ Book Review - Awakened by P.C. Cast and Kristin Cast. Book Review - Awakened by P.C. Cast and Kristin Cast. February 23, 2011 By Maryse 10 Comments. Awakened (House of Night) Well, this concludes my House of Night marathon, and it's been quite the journey. From early "meh" moments, to absolute elation. From heart pounding situations ...

A latest entry in the award-winning series finds a returned Zoey resuming her place as High Priestess at the House of Night but struggling to maintain a relationship with Stark despite Heath's loss, while Stevie Rae's secret bond with Rephaim grows stronger and increasingly dangerous. Reprint.

"My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same - and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart?

Life sucks when your friends are pissed at you. Just ask Zoey Redbird - she's become an expert on suckiness. In one week she has gone from having three boyfriends to having none, and from having a close group of friends who trusted and supported her, to being an outcast. Speaking of friends, the only two Zoey has left are undead and unMarked. And Neferet has declared war on humans, which Zoey knows in her heart is wrong. But will anyone listen to her? Zoey's adventures at vampyre finishing school take a wild and dangerous turn as loyalties are tested, shocking true intentions come to light, and an ancient evil is awakened in PC and Kristin Cast's spellbinding fourth House of Night novel. (Recommended for readers age 13 and older)

Zoey is finally home where she belongs, safe with her Guardian Warrior, Stark, by her side, and preparing to face off against Neferet - which would be a whole lot easier if the High Counsel saw the ex-High Priestess for what she really is. Kalona has released his hold on Rephaim, and, through Nyx's gift of a human form, Rephaim and Stevie Rae are finally able to be together - if he can truly walk the path of the Goddess and stay free of his father's shadow... But there are new forces at work at the House of Night. An influx of humans, including Lenobia's handsome horse whisperer, threatens their precarious stability. And then there's the mysterious Aurox, a jaw-droppingly gorgeous teen boy who is actually more - or possibly less - than human. Only Neferet knows he was created to be her greatest weapon. But Zoey can sense the part of his soul that remains human, the compassion that wars with his Dark calling. And there's something strangely familiar about him... Will Neferet's true nature be revealed before she succeeds in silencing them all? And will Zoey be able to touch Aurox's humanity in time to protect him - and everyone - from his own fate? Find out what's destined in the next thrilling chapter of the House of

Night series.

Dare to enter the House of Night with the next four titles of the series (following UNTAMED), collected in a beautifully designed boxed set With more than 12 million books in print, rights sold in almost 40 countries, and over two years on the New York Times bestseller list (reaching as high as #1), the House of Night series by PC and Kristin Cast is an international publishing sensation. The series follows 16-year-old Zoey Redbird as she is "Marked" by a vampyre tracker and begins to undergo the "Change" into an actual vampyre. She has to leave her family and move into the House of Night in Tulsa, OK, a boarding school for other fledgling vampyres like her. It's tough to begin a new life, away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been Marked as special by the vampyre Goddess, Nyx. Although Zoey has awesome new powers, it's hard to fit in when everyone knows you're "special." As Zoey tries to make new friends and maybe find a hot boyfriend (or two), she comes up against all kinds of evil, from the perfect-looking, super-popular girl with not-so-faultless plans, to the mysterious deaths happening at the House of Night and all over Tulsa. Things at the House of Night are not always what they seem. Can Zoey find the courage deep within herself to find the truth and embrace her destiny?

The moment Other Kevin returns to his world trouble begins. Thankfully, he finds friends and allies—some expected, some unexpected—and soon discovers he, like his sister, can wield Old Magick. But without a mentor to help him, will Kevin be tempted to embrace Darkness? Back in our Tulsa, things have settled down since Zoey and the gang closed the tear between worlds. A new school year has begun, and Zoey's exchange student program with public schools is really taking off. All is well. But if all is well, why is Zoey increasingly withdrawn and moody? Stark thinks he knows what's wrong—and he is determined not to lose Zoey to the Other World and Heath, who is there and very much alive. Stevie Rae thinks she knows what's wrong—Z just needs a break. Maybe a little vacay? And the rest of the Nerd Herd thinks their Z will be fine—just give her some time to stop missing (and worrying about) Other Kevin. But Zoey knows the truth. In the Other World her brother is using Old Magick, unaware of the dangers it holds. Without guidance, what will stop him from giving in to the potent pull of Old Magick? Without her guidance, Other Kevin could lose more than the war against Neferet—he could lose his soul. And Z knows she must help him—after all, he is her little brother ... In Lost, we follow Zoey, Stevie Rae, and Rephaim to an alternative version of the House of Night, where dangers take the form of friends, and allies are found in the strangest places.

seductive High Priestess, Neferet, tracing her past as a motherless girl in turn-of-the-century Chicago whose beauty renders her an object of unwanted attention and abuse, and who gains vengeful, magickal strength after being Marked.

When friends stop trusting each other, Darkness is there to fan the flames.... Things have turned black at the House of Night. Zoey Redbird's soul has shattered. With everything she's ever stood for falling apart, and a broken heart making her want to stay in the Otherworld forever, Zoey's fading fast. It's seeming more and more doubtful that she will be able pull herself back together in time to rejoin her friends and set the world to rights. As the only living person who can reach her, Stark must find a way to get to her. But how? He will have to die to do so, the Vampyre High Council stipulates. And then Zoey will give up for sure. There are only 7 days left... Enter BFF Stevie Rae. She wants to help Z but she has massive problems of her own. The rogue Red Fledglings are acting up, and this time not even Stevie Rae can protect them from the consequences. Her kinda boyfriend, Dallas, is sweet but too nosy for his own good. The truth is, Stevie Rae's hiding a secret that might be the key to getting Zoey home but also threatens to explode her whole world. In the middle of the whole mess is Aphrodite: ex-Fledgling, trust-fund baby, total hag from Hell (and proud of it). She's always been blessed (if you could call it that) with visions that can reveal the future, but now it seems Nyx has decided to speak through her with the goddess's own voice, whether she wants it or not. Aphrodite's loyalty can swing a lot of different ways, but right now Zoey's fate hangs in the balance. Three girls... playing with fire... if they don't watch out, everyone will get Burned.
