The six sonatas for violin and obbligato harpsichord BWV 1014–1019 by Johann Sebastian Bach are works in trio sonata form, with the two upper parts in the harpsichord and violin over a bass line supplied by the harpsichord and an optional viola da gamba.

*Six Sonatas for Violin and Harpsichord, BWV 1014–1019 ...*  
Unlike the other landmark collections that came from Bach's pen, the six flute sonatas all appear to have been “one offs” with no particular plan for publication as a set. Further, in contrast to the collections for solo strings, Bach's chamber music for flute was written comparatively late in his career, the earliest, the Sonata in E minor BWV1034, probably a product of Bach's early Leipzig years (mid-1720s) and the latest, the Sonata in E major for flute and continuo BWV1035, is ...

Johann Sebastian Bach: Sonatas and Partitas for Violin Solo Edited and provided with fingering by Henryk Szeryng Difficulty: advanced to difficult Schott Music

Nearly a century after its initial publication, Carl Flesch's Scale System remains one of the foremost scale books for violin. This comprehensive collection of exercises features the 24 major and minor scales, with emphasis on both double-stops and arpeggios. With Flesch's exercises, the intermediate player will progressively master intonation, shifting, rhythm, string crossing, bow speed and pressure, and tone production. Initially published as a supplement to Book 1 of The Art of Violin Playing, Flesch's Scale System has become the principal scale study for serious violinists. Carl Flesch (1873-1944) was born in Hungary and began playing the violin at age seven. He was a famous chamber musician, instructor, and solo performer, who mastered repertoire ranging from Baroque to contemporary works.

Jan H\_ma\_ (1844-1915) was an influential Czech violinist and teacher, associated with Moscow Conservatory for 46 years. These are his progressive scale studies in 10 sections.

Includes a full facsimile of the original manuscript of Johann Sebastian Bachs Sonatas and Partitas for Violin Solo (BWV1001-1006) transcribed for the classic guitar by Croatian cellist Walter Depalj and fingered by Istvn Rmer. Written for the advanced guitarist in standard notation only.

A violin solo with piano accompaniment composed by Johann Sebastian Bach.

(String Solo). Trott's Melodious Double-Stops Book 1 for Violin (50327290) has been a landmark string exercise book for decades, selling thousands of copies a year. Now the same exercises have been insightfully transcribed for viola.

Solos for Young Violinists is a graded series of works ranging from elementary to advanced levels representing an exciting variety of styles and techniques for violinists -- a valuable resource for teachers and students of all ages. Many of the works in this collection have long been recognized as stepping stones to the major violin repertoire, while others are newly published pieces for further choices of study.

Reprinted from the renowned Bach-Gesellschaft edition, this work features the complete Sonatas and Partitas for Unaccompanied Violin and the six Sonatas for Violin and Clavier. The music has been reproduced in a size large enough to read easily, with large noteheads, wide margins for notes, and lay-flat pages.

(String Solo). Revision faithfully reconstructed, according to the autograph manuscript, with suggestions for interpretation and fingering by the eminent violinist and teacher Rodolfo Lipizer. Preface and introduction in Italian, French, English and German.

J.S. Bach's BWV 1001-1006 Sonatas and Partitas have become a staple for violinists the world over. Many editions exist, this is one of the more popular editions edited by Jenő Hubay. This is a reissue of the Universal-Edition, n.d. Plate U.E. 6976, Vienna. Reprinted here by Edition Fleury 2014. 73 pps, Glossy Cover. Forward printed in Hungarian, German, English, and French. As with all Edition Fleury publications, blank staff paper and section for teacher notes are present in the back of the book.
