Set in the Maine territory King has made mythic, Bag of Bones recounts the plight of forty-year-old bestselling novelist Mike Noonan, who is unable to stop grieving following the sudden death of his wife Jo, and who can no longer bear to face the blank screen of his computer. These stories come from the Wintu Indians of the northern Sacramento Valley, where they dwelled for thousands of years. Private Investigator Charlie Parker returns in this heart-pounding thriller as he seeks revenge against the darkest forces in the world, from "one of the best thriller writers we have" (Harlan Coben, #1 New York Times bestselling author) and the internationally bestselling author of the acclaimed The Woman in the Woods. He is our best hope. He is our last hope. He is our only hope. On a lonely moor in northern England, the body of a young woman is discovered. In the south, a girl lies buried beneath a Saxon mound. To the southeast, the ruins of a priory hide a human skull. Each is a sacrifice, a summons. And something in the darkness has heard the call. Charlie Parker has also heard it and from the forests of Maine to the deserts of the Mexican border, from the canals of Amsterdam to the streets of London, he will track those who would cast the world into darkness. Parker fears no evil—but evil fears him. "A seamless, expansive, and chilling blend of police procedural and gothic horror tale" (Kirkus Reviews), A Book of Bones will keep you guessing until the very last page.

Twelve-year-old Kallie despises nonsense. She believes there's a rational explanation for everything, despite the good-natured prodding of her Grandpa Jess, who takes her to frivolous wastes of time like their town's local Festival of Fools. There, Kallie meets a faceless man (must be some kind of mask) who gives her a strange wooden puzzle box (must be some kind of gimmick). Intrigued despite herself, Kallie sets to work on unlocking its secrets and...lets something out. From here Kallie's life begins to entangle with another world, a world where Liah, a young bone carver, journeys with her master to sell wares to a wicked Queen. The sights, sounds, smells, and spells of Liah's world are beginning to leak into Kallie's, and if Kallie can't decipher the meaning of her own story, "the end" might be far from happy.
