BSA motorcycles manuals

BSA were already tooled up to produce a military motorcycle in the volume the Army needed. BSA built more than 125,000 of them for the services and the M20 became the longest serving model in the history of British military motorcycling, not to mention becoming the type most produced for the War Office.

BSA Motorcycle Service & Repair
Manuals for sale | eBay
An overhead valve 493cc single
motorcycle was released by BSA and
it was titled the Sloper because it had
a sloped angle cylinder. Buyers of the
BSA OHV were quite impressed
because at the time, other
motorcycles had single cylinders with
side valves, or flat heads. Over the
years, BSA released a line of other
motorcycles.
