## Canadian Critical Care Nutrition Guidelines

The Canadian Critical Care Practice  
Guidelines (CCPGs) were first published in  
2003 and are among the most regularly updated  
evidence-based guidelines, with updates in  
2005, 2007, 2009 and 2013. The 2013 CCPGs  
summarize the evidence from approximately 300  
randomized controlled trials in the area of  
critical care nutrition since 1980.
