"This is a best friend in book form,"—Andrew Kaufman, author of All My Friends Are Superheroes Today. Carrie Hope Fletcher is living her dream as an actress and YouTube star. But not long ago, she was trying to survive the many perils of the Teen Age . . . The Rumor Mill: The more a rumor is spread, the farther it gets from the truth. It's like a giant taffy pull. The Disgusting Business of Falling in Love: I've never known something to be so gleefully wonderful and soul-crushingly exhausting. The Twitter Sphere: If the Internet is starting to crush your soul . . . close the laptop! Bears: Self-explanatory. Thankfully, she made it through! And although memories of her struggles, woes, and foibles stick around (as Soul Shrapnel, if you will), they look a little different today, thanks to The Amazing Goggles of Hindsight. So, in All I Know Now, Carrie shares, well, exactly that—heartfelt advice and hopeful thoughts on growing up. She just did it herself. She has the stuffed animals to prove it!

They don't know why they're drawn to Cherry's bakery - they just know that they're safe there and that's how Cherry likes it. She can help them in secret and no one will ever need to know the truth behind her gift. And then Chase turns up and threatens to undo all the good Cherry has done. Because it turns out she's not the only one who can see what she sees. . . #AllThatSheCanSee

We all know that growing up is hard to do, and sometimes the only thing that makes it better are the reassuring words of someone who has walked that bumpy road just a few steps ahead of you and somehow ended up as a fully-functioning adult. Carrie Hope Fletcher is that person.* Thanks to her phenomenally popular YouTube videos, Carrie has become an 'honorary big sister' to hundreds of thousands of young people who turn to her for advice, friendship and, most of all, the knowledge that things will get better. Carrie has created a safe and positive space for young people to connect and share their hopes and concerns online, and now she will share her most personal thoughts and experiences in her first book, ALL I KNOW NOW. Part memoir, part advice guide, it will include Carrie's thoughts on some of the topics she's asked about most regularly: bullying, body image, relationships and perhaps the scariest question of all: what does the future hold for me? With warmth, wit and a sprinkling of hard-won wisdom, Carrie will provide the essential tools for growing up gracefully . . . most of the time. *Although she did recently post a video about how to pee in a onesie. So the definition of 'adult' is a bit flexible here . . .
