(September 2020) The CECA Generic Form of Sub-Contract is now available for purchase. It can be used in conjunction with a wide range of standard form and bespoke main contracts where no appropriate accompanying form of sub-contract has been published. The structure of the new Generic Form and much of its content, including its “ step down ” approach to risk allocation, is consistent with the CECA Forms of Sub-Contract published in November 2011, with ...
