CHAPTER 1: Introduction to Chemistry.

1.1 The Nature of Chemistry 1.2 Matter.

Matter - has mass, occupies space
Mass: measure of the quantity of matter

Extensive property - depends on quantity,
i.e., mass, volume
Intensive property -

Online Library Chapter 1

Introduction To Chemistry

depends on identity of substance, i.e., density, color Physical property - can be measured without changing the composition of the substance Physical change - change in the form of the substance, but not its chemical composition.
