Chapter 1 - Night. Summary. Chapter 1, the lone segment of Section I, introduces a gymnasium scene in which Alma, Janine, Dolores, Moira, June, and other Handmaids-in-training sleep in a barracks arrangement beneath flannel sheets and army blankets and contemplate their yearnings for freedom. Like girls at a restrictive camp, they reach out to their sisters to learn their names and to touch hands.

Chapter 1: The Atmosphere Flashcards | Quizlet
Analysis The novel begins with the first-person narrator, Offred, describing the old gymnasium where she has been sleeping, and the sense of longing and loss in the atmosphere. The room feels layered with long-gone emotions of high school dances and romance.

The Handmaid's Tale Chapter 1 Summary & Analysis | LitCharts
An atmosphere (Figure 1) is a single layer or a set of multiple layers containing mixed gases that surround a planetary body.[1] Any planet that has an atmosphere will have weather of some kind; weather isn't exclusive to Earth.[2] For instance, it rains sulfuric acid on Venus, dust storms sweep across the surface of Mars, and Jupiter's Great Red Spot has been theorized to be part of a large storm.[2].
