Civil War London A Military

David Flinatham 's new book is a valuable contribution to our knowledge of London during the English civil war. London was without a doubt an essential city economically and militarily for both Royalist and Parliamentary forces during the English Revolution, so it hard not to disagree with David Flinthams new book that it does deserve a far more widespread academic interest than it has already received.

Civil War London: A Military History of London under ...

London was the critical location throughout the English Civil Wars - a fact that has been emphasised by countless historians, with some going as far to say that by fleeing his capital in January 1642, King Charles I lost the war several months before the fighting actually started. Most studies focus on London as the political and economic powerhouse - overlooking the fact that militarily, London was just as important; it is 'London: the militarised city' which is the focus of this new history.

In addition to its militia and other volunteers, London was also able to defend herself through the construction of the largest system of urban fortification constructed anywhere in the country - a factor made even more critical by the fact that the London arms trades supplied the Parliamentarian war effort. Despite the fact that London did not witness any actual battles (although the fighting did get as near as Mile End on one occasion), armed soldiers were a common sight on London's ...
