Drawn from our best-selling anthology, The Bedford Introduction to Literature, Literature to Go is a brief and inexpensive collection of stories, poems, and plays supported by the superior instruction you expect from a Michael Meyer anthology. With literature from many periods, cultures, and diverse voices, the book is also a complete guide to close reading, critical thinking, and thoughtful writing about literature. The second edition features a new thematic chapter on our working lives and a new in-depth chapter on the fiction of Dagoberto Gilb, created in collaboration with the author himself—continuing the anthology's mission to present literature as a living, changing art form.
