America's Past and Its Relevance Today At times America's historical events can seem like a random collection of names, dates, and events, with no coherent storyline to pull them together. Understood as our collective biography, however, and free of the cheerleading found in many textbooks, *The Complete Idiot's Guide to American History, Fourth Edition*, enriches our understanding of who we are and gives us an understanding of where we are going.

Born of grand sweeping strategies, World War 1 was a conflict marked by stalemate and slaughter - characterised by misery rather than heroism. From the eastern to the western front this book tells the story of war from start to end, revealing why the war started, describes the horrors of trench warfare and describes the new ways we found to kill each other including poison gas.

The good, the bad, and the ugly behind the NWO. The "New World Order" (NWO) is a conspiracy theory; describing the evolution, or existence of one-world government administered by the powerful elite. Now Alan Axelrod offers an understandable look at what the NWO really means to people and lets the reader decide which theories are correct- or whether perhaps it's a little bit of every proposed theory. He discusses: ?The Knights of Templar, the Illuminati, the Masons, ancient and modern-day religionists and how they paved the way for a possible Fourth Reich ?The link between the lost island of Atlantis, Hitler, and the first President Bush with the concept of a future one-world government ?The United Nations, Yale University's Skull and Bones society, the Rockefellers, Morgans, Rothschilds, and Kennedys

For fans of all ages! Here is an entertaining and easily referenced presentation of insider information to the world that J.K. Rowling has created in her spellbinding series of novels. *The Complete Idiot's Guide® to the World of Harry Potter* explores all aspects of the wizarding world and explains factually in terms of their relationship to historical, literary, religious, scientific, or mythological roots. ?In-depth information on the facts behind all seven books in the Harry Potter series ?Covers all the relevant influences for the Harry Potter series, from religion and mythology to science and literature. ?Can be read from cover to cover or used as a quick-reference guide

An informative overview of world mythological traditions examines the gods and goddesses, heroes and heroines, monsters and angels of myths from every region of the world, analyzing parallels between the traditions and lore of Celtic, Teutonic, Egyptian, Greek and Roman, Norse, Native American, and other cultures and including a glossary of terms and handy indexes. Original.

Follows the events leading up to the war, major campaigns by Allied and Axis powers, atrocities committed against civilians, and consequences.

Any way you cut it, cheese has global appeal. Cheese is one of the most varied and flavorful foods in the world. Its unique appeal lies in its range of textures, aromas, flavors, means of production, and milk sources. With this guide, readers will discover everything they need to know about European and American cheeses, including the growth of artisan cheeses, how to shop for cheese, combining cheese with food and drink, cooking cheese, and making cheese. \* Over the past two decades, the quality, availability and popularity of artisan cheeses has grown \* Cheese consumption has increased from 11.3 to 31.2 pounds per person over the last 30 years \* 1/3 of the supermarkets offer full-service cheese counters with up to 300 varieties
