Dominance and State Power in Modern India: Decline of a ...

Summary: "In these two volumes, scholars of political science, sociology, and history adopt a common set of concepts to analyse patterns of change in the ideological and structural foundations of dominance in India from the colonial period to the mid-1980s. Departing from modernist theories, these scholars set out an interactional framework of society-state relations where caste, class, ethnicity, and dominance are treated.

Dominance State Power Modern India Decline

The modern state of India is only 34 years
old and its development must be understood in
the context of trying to impose a national
framework on old cultural patterns. The
consciousness of the great past and the
newness of the present sometimes produces an
abrasive reaction.

Book Description. State Formation and Radical Democracy in India analyzes one of the most important cases of developmental change in the twentieth century, namely, Kerala in southern India and begs the question of whether insurgency among the marginalized poor can use formal representative democracy to create better life chances. Going back to pre-independence, colonial India, Manali Desai ...
