In today's high-speed culture, there's a prevailing sense that we are busier than ever before and that the pace of life is too rushed. Most of us can relate to the feeling of having too much to do and not enough time for the people and things we value most. We feel fragmented, overwhelmed by busyness and the tyranny of gadgets. Veteran pastor and teacher Arthur Boers offers a critical look at the isolating effects of modern life that have eroded the centralizing, focusing activities that people used to do together. He suggests ways to make our lives healthier and more rewarding by presenting specific individual and communal practices that help us focus on what really matters. These practices—such as shared meals, gardening, hospitality, walking, prayer, and reading aloud—bring our lives into focus and build community. The book includes questions for discernment and application and a foreword by Eugene H. Peterson.

The fate of feudal Japan hangs in the balance in this bloody conclusion to the epic Blood Ninja trilogy. Taro is at a crossroads: He has vanquished Lord Oda for good, but with no land and no title, he has no hope of marrying Hana, the daughter of a daimyo. So when Taro receives news of a murderous dragon and the large reward for killing it, he and his friends find themselves on a dangerous quest to slay the beast. Their mission has the potential to save the people of Japan—but failure will result in the deaths of thousands. And dragons are not the only monsters they will encounter: The dead, led by the odious Kenji Kira, have begun to rise, and they have Taro in their sights. In this heart-stopping conclusion to the Blood Ninja trilogy, the future of all feudal Japan is in danger, and everything Taro holds dear will be threatened. But it is the betrayal of flesh and blood—his own flesh and blood—that may be his ultimate undoing.
