Molly Fyde and the Land of Light is a spectacular, captivating, and shocking follow up to The Parsona Rescue. Howey's debut, Molly Fyde and the Parsona Rescue was amazing, but Land of Light was even more impressive. The novel starts off with an intriguing prologue, and the first chapter pulled me back into the story with ease.

Mummified baboons shine new light on the lost land of Punt. Ancient Punt was a major trading partner of Egyptians for at least 1,100 years. It was an important source of luxury goods, including incense, gold, leopard skins, and living baboons. Located somewhere in the southern Red Sea region in either Africa or Arabia, scholars have debated its ...
