should potentially allow for the mutual recognition of these qualifications between European countries and elsewhere. An online resource for you

Home - ebcts

The European Board Examination in Neurological Surgery consists of two parts: Part I (electronic multiple choice questions) and Part II (oral examination). Oral assessments following completion of the EANS training course was first introduced in 1983 (Ljubljana). The concern for a more formal approach to an examination led in 1992 to the creation of the Joint EANS/UEMS Examination Committee and introduction of the European Examination in Neurosurgery.
