around baby loss. Many men can feel side-lined when a baby dies and sometimes struggle to reach out or find ways to deal with the emotions they experience.

Home - Finding Your Way

The first thing to remember is that you will not find your way by scanning the distant horizon of the future. You need to start walking. Set out along your way, step by step, and keep your eyes peeled for the opportunities that appear. Try to identify your passions, and try to spend more of your time on things that feel meaningful.

How to Find Your Way: 13 Steps (with Pictures) - wikiHow

Losing a baby before, during or shortly after birth is arguably one of the hardest things anyone has to find a way through. What takes many people by surprise is how strong the emotions can be, how they can change very quickly, and how long they last. People around you may seem to think you should be 'back to normal' after a few weeks or ...

Help and Hope for an Unexpected Journey Do real Christians commit suicide? Yes, they do. And for those left behind, the journey following such a tragedy is unbearably painful. Finding Your Way after the Suicide of Someone You Love is a compassionate and practical guide that addresses the intensely personal issues of survivors of suicide (SOS). This gentle and faith-affirming resource helps survivors know what to expect, especially during the first year following a suicide. It includes personal stories of survivors and suggestions on how to move beyond survival to live life again. Designed for use by individuals, couples, and SOS groups, this book offers help for parents, siblings, friends, and extended families, as well as practical guidelines for pastors, Christian counselors, and other church leaders. Topics include:

- What to do in the immediate aftermath of a suicide
- Handling guilt and understanding the role of depression in suicides
- Dealing with questions of faith and meaning
- Creating a support system
- Choosing a Christian therapist
- Trusted resources and websites

healing old emotional wounds, the topics dealt with here will be of tremendous help to many.

There is nothing you need more than the warm, reassuring voice of one who has traveled this path before . . . and survived after suffering the death of a spouse. Marta Felber offers just such a voice -- caring, hopeful, always pointing ahead to a tomorrow that will be a little easier than today. Having experienced her own spouse's death, Felber is never glib or simplistic. She knows the grief her readers are feeling and she encourages them to give it full expression. At the same time, she offers sound, practical suggestions on how to navigate difficult days. This book shies away from none of the difficult issues of bereavement. Felber gently urges her readers toward careful, honest examination of the issues they face.

"In Find your Way, you will discover the helpful, proven wisdom and deep care that I have experienced in working alongside Carly." --Henry Cloud, best-selling author of Boundaries A perfect gift for graduates! No matter where you are in life, you are not yet all you will be . . . At some point, virtually everyone finds themselves struggling to find their way in life. Perhaps you're just starting out and haven't yet found your personal or professional path. Maybe you've been plugging away for years, trying to live someone else's dream. Maybe you're outwardly successful but plagued by a nagging, soul-level sense of dissatisfaction. Carly Fiorina, who started as a secretary and later became the first female CEO of a Fortune 50 company, can help. Drawing on her own remarkable journey, and empirical evidence accumulated over four decades in

the workplace, Carly will show you how to choose a path over a plan, use problems to propel yourself and your organization forward, overcome fear and procrastination, make smart decisions, and reclaim your power and use it for good. Carly Fiorina believes beyond a shadow of a doubt that your potential can be unleashed. In Find Your Way, she shows you the path to getting there.

Find comfort for grief and loss in this inspirational book. Eugenia Price, one of our most beloved inspirational writers, offers this simply written yet profoundly valuable book for anyone struggling through the loss of a loved one. She writes that the healing process comes first from the knowledge that accepting the loss does not mean we stop missing our loved one. Written simply and sensitively, Price demonstrates a sympathetic and hopeful view of the grieving process through insights into human nature and in her own experiences with death.

Are you tired of being told by others--self-help books included--what you should do? Drs. Allan Zuckoff and Bonnie Gorscak understand. That's why this book is different. Whether it's breaking an unhealthy habit, pursuing that dream job, or ending harmful patterns in relationships, the key to moving ahead with your life lies in discovering what direction is truly right for you, and how you can get there. The proven counseling approach known as motivational interviewing (MI) can help. Drs. Zuckoff and Gorscak present powerful self-help strategies and practical tools that help you understand why you're stuck, break free of unhelpful pressure to change, and build confidence for developing

a personal change plan. Vivid stories of five men and women confronting different types of challenges illustrate the techniques and accompany you on your journey. MI has a track record of helping people resolve long-standing dilemmas in a remarkably short time. Now you can try it for yourself--and unlock your own capacity for positive action.

A validating new approach to the long-term grieving process that explains why we feel “stuck,” why that’s normal, and how shifting our perception of grief can help us grow—from the New York Times bestselling author of *Motherless Daughters* “This is perhaps one of the most important books about grief ever written. It finally dispels the myth that we are all supposed to get over the death of a loved one.” —Claire Bidwell Smith, author of *Anxiety: The Missing Stage of Grief Aren’t you over it yet? Anyone who has experienced a major loss in their past knows this question. We’ve spent years fielding versions of it, both explicit and implied, from family, colleagues, acquaintances, and friends. We recognize the subtle cues—the slight eyebrow lift, the soft, startled “Oh! That long ago?”—from those who wonder how an event so far in the past can still occupy so much precious mental and emotional real estate. Because of the common but false assumption that grief should be time-limited, too many of us believe we’re grieving “wrong” when sadness suddenly resurges sometimes months or even years after a loss. The *AfterGrief* explains that the death of a loved one isn’t something most of us get over, get past, put down, or move beyond. Grief is not an emotion to pass through on the way to “feeling better.” Instead, grief is in constant motion; it is tidal, easily and often reactivated*

by memories and sensory events, and is re-triggered as we experience life transitions, anniversaries, and other losses. Whether we want it to or not, grief gets folded into our developing identities, where it informs our thoughts, hopes, expectations, behaviors, and fears, and we inevitably carry it forward into everything that follows. Drawing on her own encounters with the ripple effects of early loss, as well as on interviews with dozens of researchers, therapists, and regular people who 've been bereaved, New York Times bestselling author Hope Edelman offers profound advice for reassessing loss and adjusting the stories we tell ourselves about its impact on our identities. With guidance for reframing a story of loss, finding equilibrium within it, and even experiencing renewed growth and purpose in its wake, she demonstrates that though grief is a lifelong process, it doesn ' t have to be a lifelong struggle.

Finding Your Path is a handbook for the transition from school to adulthood. "One of the greatest advantages of this day and age is the range of opportunities at your fingertips. But this also means an overload of information and choice! Not to mention the different pressures from either school or parents. The daunting question: "What will you do next?" can be extremely stressful when you're wracked with indecision and lacking direction." (Book excerpt - Amba Brown) The chapters of the book explore different pathways including work, study and travel by outlining their benefits so you can consider your options and make informed decisions. The focus is on trusting yourself to create a path of integrity and happiness. The perfect gift for 2016 school-leavers!" Finding Your Path Strikes
