This Florida real estate principles text provides up-to-date, state-specific information. Updated annually with the latest developments in Florida real estate law, this text should be a prelicensing staple for real estate students that effectively combines legal and practical aspects of Florida real estate laws and practices for prospective salespersons.

The Essentials of Florida Real Estate was written for the paralegal student, the real estate professional, and anyone who is interested in Florida's property laws. Students and instructors of Florida real estate will appreciate the wealth of information covered in a user-friendly format. The book highlights the statutory laws of Florida, giving either the statutory cite, or the inclusion of more important or complex Florida laws. It also includes important summarized Florida cases, relevant to the topic discussed. The author, with 20 years experience as a real estate professional, attorney, and law professor, combines both theoretical and practical applications of Florida property law, with real life examples given when complex issues are presented. Each chapter contains a chapter outline, chapter objectives, a chapter summary, review questions for discussion, and key terms — all to facilitate the mastery of this complex subject. The Essentials of Florida Real Estate Law has been written so it can be used as a complete semester text in and of itself, a research tool, or as a supplement highlighting Florida property law.

Florida Real Estate Law and Practice Simplified, Volume 2 in the Real Estate Mastery Series is the condensed version of Florida Real Estate Law and Practice Explained, Volume 1. Its streamlined content makes studying more efficient with approximately half the pages of the full reference book print
