The Strange Case Of... is the second full-length studio album by the rock band Halestorm, released on April 10, 2012. The album was produced by Howard Benson, who also produced the band's self-titled debut album. The first single and video from the album "Love Bites (So Do I)" won a Grammy Award for Best Hard Rock/Metal Performance.

Overall, "The Strange Case of..." is a good album, just not a brilliant one. Halestorm are deserving of their place amongst today's most successful rock acts and you won't find many other female fronted rock bands showcasing mainstream rock music as well as this. I enjoyed it and it comes recommended.
