Freedom: Amazon.co.uk: Franzen, Jonathan: 9780007269761: Books

Freedom by Jonathan Franzen was published in the year of 2010, a day short of nine years after The Corrections. Surely after one is familiar with what the plot of Freedom entails, a swift, crude comparison can be made with his great novel The Corrections. For starters, they both deal with the interwoven relationships and dynamics of a family.

5 Best Jonathan Franzen Books (2020) That You Must Read!

Freedom is Terrible, by Katie G. (Abridged for your convenience in list form) Before you think I'm mean, please note that "freedom is terrible" is kind of the point of Franzen's book: Freedom doesn't get you what you want. Uninhibited, it brings a whole slew of problems along with it and, assuming you're not a slave or living in North Korea, the fact that your life is miserable is not due to a ...

Freedom eBook by Jonathan Franzen - 9781443404358 ...

Anyone who occasionally considers writing a novel shouldn't read Jonathan Franzen. He makes you just give up. Not only does he do the big things - family, freedom, entrapment by society, the hugely different perspectives of rich and poor, educated and uneducated - but he manages the fine-grained stuff perfectly as well - the little (big) lies ...

Amazon.co.uk:Customer reviews: Freedom

In his first novel since *The Corrections*, Jonathan Franzen has given us an epic of contemporary love and marriage. *Freedom* comically and tragically captures the temptations and burdens of liberty: the thrills of teenage lust, the shaken compromises of middle age, the wages of suburban sprawl, the heavy weight of empire.

Patty and Walter Berglund were the new pioneers of old St. Paul—the gentrifiers, the hands-on parents, the avant-garde of the Whole Foods generation. Patty was the ideal sort of neighbor, who could tell you where to recycle your batteries and how to get the local cops to actually do their job. She was an enviably perfect mother and the wife of Walter's dreams. Together with Walter—environmental lawyer, commuter cyclist, total family man—she was doing her small part to build a better world. But now, in the new millennium, the Berglunds have become a mystery. Why has their teenage son moved in with the aggressively Republican family next door? Why has Walter taken a job working with Big Coal? What exactly is Richard Katz—outré rocker and Walter's college best friend and rival—still doing in the picture? Most of all, what has happened to Patty? Why has the bright star of Barrier Street become "a very different kind of neighbor," an implacable Fury coming unhinged before the street's attentive eyes? In his first novel since *The Corrections*, Jonathan Franzen has given us an epic of contemporary love and marriage. *Freedom* comically and tragically captures the temptations and burdens of liberty: the thrills of teenage lust, the shaken compromises of middle age, the wages of suburban sprawl, the heavy weight of empire. In charting the mistakes and joys of *Freedom*'s characters as they struggle to learn how to live in an ever more confusing world, Franzen has produced an indelible and deeply moving portrait of our time.

The idyllic lives of civic-minded environmentalists Patty and Walter Berglund come into question when their son moves in with aggressive Republican neighbors, green lawyer Walter takes a job in the coal industry, and go-getter Patty becomes increasingly unstable and enraged.

Passionate, strong-minded nonfiction from the National Book Award-winning author of *The Corrections* Jonathan Franzen's *The Corrections* was the best-loved and most-written-about novel of 2001. Nearly every in-depth review of it discussed what became known as "The Harper's Essay," Franzen's controversial 1996 investigation of the fate of the American novel. This essay is reprinted for the first time in *How to be Alone*, along with the personal essays and the dead-on reportage that earned Franzen a wide readership before the success of *The Corrections*. Although his subjects range from the sex-advice industry to the way a supermax prison works, each piece wrestles with familiar themes of Franzen's writing: the erosion of civic life and private dignity and the hidden persistence of loneliness in postmodern, imperial America. Recent pieces include a moving essay on his father's struggle with Alzheimer's disease (which has already been reprinted around the world) and a rueful account of Franzen's brief tenure as an Oprah Winfrey author. As a collection, these essays record what Franzen calls "a movement away from an angry and frightened isolation toward an acceptance--even a celebration--of being a reader and a writer." At the same time they show the wry distrust of the claims of technology and psychology, the love-hate relationship with consumerism, and the subversive belief in the tragic shape of the individual life that help make Franzen one of our sharpest, toughest, and most entertaining social critics.

Jonathan Franzen's *Freedom* was the runaway most-discussed novel of 2010, an

ambitious and searching engagement with life in America in the twenty-first century. In *The New York Times Book Review*, Sam Tanenhaus proclaimed it "a masterpiece of American fiction" and lauded its illumination, "through the steady radiance of its author's profound moral intelligence, [of] the world we thought we knew." In *Farther Away*, which gathers together essays and speeches written mostly in the past five years, Franzen returns with renewed vigor to the themes, both human and literary, that have long preoccupied him. Whether recounting his violent encounter with bird poachers in Cyprus, examining his mixed feelings about the suicide of his friend and rival David Foster Wallace, or offering a moving and witty take on the ways that technology has changed how people express their love, these pieces deliver on Franzen's implicit promise to conceal nothing. On a trip to China to see first-hand the environmental devastation there, he doesn't omit mention of his excitement and awe at the pace of China's economic development; the trip becomes a journey out of his own prejudice and moral condemnation. Taken together, these essays trace the progress of unique and mature mind wrestling with itself, with literature, and with some of the most important issues of our day. *Farther Away* is remarkable, provocative, and necessary.

Jonathan Franzen's gift for wedding depth and vividness of character with breadth of social vision has never been more dazzlingly evident than in *Crossroads*. It's December 23, 1971, and heavy weather is forecast for Chicago. Russ Hildebrandt, the associate pastor of a liberal suburban church, is on the brink of breaking free of a marriage he finds joyless—unless his wife, Marion, who has her own secret life, beats him to it. Their eldest child, Clem, is coming home from college on fire with moral absolutism, having taken an action that will shatter his father. Clem's sister, Becky, long the social queen of her high-school class, has sharply veered into the counterculture, while their brilliant younger brother Perry, who's been selling drugs to seventh graders, has resolved to be a better person. Each of the Hildebrandts seeks a freedom that each of the others threatens to complicate. Jonathan Franzen's novels are celebrated for their unforgettably vivid characters and for their keen-eyed take on contemporary America. Now, in *Crossroads*, Franzen ventures back into the past and explores the history of two generations. With characteristic humor and complexity, and with even greater warmth, he conjures a world that resonates powerfully with our own. A tour de force of interwoven perspectives and sustained suspense, its action largely unfolding on a single winter day, *Crossroads* is the story of a Midwestern family at a pivotal moment of moral crisis. Jonathan Franzen's gift for melding the small picture and the big picture has never been more dazzlingly evident.

Patty, Walter et Richard, ou *Les chemins de la liberté*. Patty a décidé une fois pour toutes d'être la femme idéale. Mère parfaite, épouse aimante et dévouée, cette ex-basketteuse ayant un faible pour les bad boys a fait, en l'épousant, le bonheur de Walter Berglund, de St Paul (Minnesota). A eux deux, ils forment le couple « bobo » par excellence. En devenant madame Berglund, Patty a renoncé à bien des choses, et d'abord à son amour de jeunesse, Richard Katz, un rocker dylanien qui se trouve être aussi le meilleur ami de Walter. *Freedom* raconte l'histoire de ce trio, et capture le climat émotionnel, politique et moral des Etats-Unis de ces 30 dernières années, dans une tragi-comédie d'une incroyable virtuosité. Comment vivre ? Comment s'orienter dans une époque qui semble devenue folle ? Jonathan Franzen relève le défi et tente de répondre à cette question, avec cette histoire d'un

mariage d'une implacable cruauté. Freedom a bénéficié dès sa sortie d'une rumeur très favorable, et même avant, lorsque le magazine TIME daté du 23 août a consacré sa couverture à Jonathan Franzen (cela faisait tout juste 10 ans qu'un écrivain avait connu une telle visibilité). La presse a tout de suite embrayé, avec des comptes rendus enthousiastes, notamment Michiko Kakutani, la redoutée critique du New York Times. Et Oprah Winfrey a (finalement!) invité l'auteur à son show, qui est l'émission la plus regardée aux U.S.A.

'Deeper, funnier, sadder and truer than a work of fiction has any right to be' Independent on Sunday 'Both a page-turner and a work of art ... an almost perfectly written novel' Evening Standard This is the story of the Berglunds, their son Joey, their daughter Jessica and their friend Richard Katz. It is about how we use and abuse our freedom; about the beginning and ending of love; teenage lust; the unexpectedness of adult life; why we compete with our friends; how we betray those closest to us; and why things almost never work out as they 'should'. It is a story about the human heart, and what it leads us to do to ourselves and each other.

NEW YORK TIMES BESTSELLER A NEW YORK TIMES BOOK REVIEW Notable Book "So funny, so sage and above all so incandescently intelligent" (The Chicago Tribune), the New York Times bestseller Purity is a grand story of youthful idealism, extreme fidelity, and murder, a daring and penetrating book from "the most intelligent novelist of [his] generation" (The New Republic), Jonathan Franzen Young Pip Tyler doesn't know who she is. She knows that her real name is Purity, that she's saddled with \$130,000 in student debt, that she's squatting with anarchists in Oakland, and that her relationship with her mother--her only family--is hazardous. But she doesn't have a clue who her father is, why her mother chose to live as a recluse with an invented name, or how she'll ever have a normal life. Enter the Germans. A glancing encounter with a German peace activist leads Pip to an internship in South America with The Sunlight Project, an organization that traffics in all the secrets of the world--including, Pip hopes, the secret of her origins. TSP is the brainchild of Andreas Wolf, a charismatic provocateur who rose to fame in the chaos following the fall of the Berlin Wall. Now on the lam in Bolivia, Andreas is drawn to Pip for reasons she doesn't understand, and the intensity of her response to him upends her conventional ideas of right and wrong. Purity is a grand story of youthful idealism, extreme fidelity, and murder. The author of The Corrections and Freedom has imagined a world of vividly original characters--Californians and East Germans, good parents and bad parents, journalists and leakers--and he follows their intertwining paths through landscapes as contemporary as the omnipresent Internet and as ancient as the war between the sexes. Purity is the most daring and penetrating book yet by one of the major writers of our time.

Winner of the 2001 National Book Award for Fiction Nominated for the National Book Critics Circle Award An American Library Association Notable Book Jonathan Franzen's third novel, The Corrections, is a great work of art and a grandly entertaining overture to our new century: a bold, comic, tragic, deeply moving family drama that stretches from the Midwest at mid-century to Wall Street and Eastern Europe in the age of greed and globalism. Franzen brings an old-time America of freight trains and civic duty, of Cub Scouts and Christmas cookies and

sexual inhibitions, into brilliant collision with the modern absurdities of brain science, home surveillance, hands-off parenting, do-it-yourself mental healthcare, and the anti-gravity New Economy. With *The Corrections*, Franzen emerges as one of our premier interpreters of American society and the American soul. Enid Lambert is terribly, terribly anxious. Although she would never admit it to her neighbors or her three grown children, her husband, Alfred, is losing his grip on reality. Maybe it's the medication that Alfred takes for his Parkinson's disease, or maybe it's his negative attitude, but he spends his days brooding in the basement and committing shadowy, unspeakable acts. More and more often, he doesn't seem to understand a word Enid says. Trouble is also brewing in the lives of Enid's children. Her older son, Gary, a banker in Philadelphia, has turned cruel and materialistic and is trying to force his parents out of their old house and into a tiny apartment. The middle child, Chip, has suddenly and for no good reason quit his exciting job as a professor at D----- College and moved to New York City, where he seems to be pursuing a "transgressive" lifestyle and writing some sort of screenplay. Meanwhile the baby of the family, Denise, has escaped her disastrous marriage only to pour her youth and beauty down the drain of an affair with a married man--or so Gary hints. Enid, who loves to have fun, can still look forward to a final family Christmas and to the ten-day Nordic Pleasurelines Luxury Fall Color Cruise that she and Alfred are about to embark on. But even these few remaining joys are threatened by her husband's growing confusion and unsteadiness. As Alfred enters his final decline, the Lamberts must face the failures, secrets, and long-buried hurts that haunt them as a family if they are to make the corrections that each desperately needs.

S. Jammu, a young, ambitious Indian woman, is sworn in as police chief of St. Louis where the acts of private citizens are monitored and the actions of Martin Probst and his family threatened to destroy her plan
