Relates the story of Roy Williams's first season as North Carolina's head basketball coach, providing a rare look at one of the most secretive college sports teams in the country.

"Roy Williams is awesome, baby, with a capital 'A.' "-Dick Vitale As he traveled across the state of North Carolina in the summer of 2003, Roy Williams delivered a repetitive refrain to the thousands of University of North Carolina basketball fans who packed his public appearances: "O! Roy ain't that good." Carolina fans didn't care to hear it, because they firmly believed that ol' Roy was, indeed, more than good--he was great. He was the prodigal son who served as Dean Smith's assistant coach, turned down the Carolina job in 2000, and finally accepted it in April of 2003. Williams became the Tar Heels's head coach after fifteen spectacular years at Kansas, and the immediate expectation was that he would find similar success in Chapel Hill, a once-proud program that had stumbled under former head coach Matt Doherty. But Williams knew something that it would take casual fans months to realize: Teaching the team of moody basketball players to play winning basketball would be about much more than simply what happened on the court. Williams had established a successful program at Kansas by connecting with the players he had recruited over their four-year careers. At Carolina, he had less than twelve months to turn a group of talented individuals into a basketball team that could function at the highest level of NCAA competition--the Atlantic Coast Conference. Going Home Again is the story of Roy Williams's first season as North Carolina's head basketball coach. Author Adam Lucas takes you inside the locker room and behind the scenes with the nation's most revered basketball program, providing a rare glimpse into the inner workings of one of the country's most secretive college sports dynasties.

One of the most respected basketball coaches in the country relates the story of his life, from his turbulent childhood to the North Carolina Tar Heels' national championship in 2009, and discusses the coaching philosophy that has made him successful.

Politics, manners, humor, sexuality, wealth, even our definitions of success are periodically renegotiated based on the new values society chooses to use as a lens to judge what is acceptable. Are these new values randomly chosen or is there a pattern? Pendulum chronicles the stuttering history of western society; that endless back-and-forth swing between one excess and another, always reminded of what we left behind. There is a pattern and it is 40 years: 2003 was a fulcrum year, as was 1963, its opposite. Pendulum explains where we have been as a society, how we got here, and where we are headed. If you would benefit from a peek into the future, you would do well to read this book.

This is the story of a national championship that was a year in the making. Redemption: Carolina Basketball's 2016–2017 Journey from Heartbreak to History is a behind-the-scenes look at the Tar Heels' ride to the 2017 national title. Featuring never-before-published, exclusive photographs that will take readers from the practice court and game action to the team bus and locker room, this book is the most complete chronicle of a UNC national championship ever made. In addition to the full-color images, the book also includes interviews with the players and coaches that can only be found here, a foreword by head coach Roy Williams, and exciting new stories from Adam Lucas, Steve Kirschner, and Matt Bowers, who accompanied the team every step of the way. Much more than a detailed account of Carolina's 33 victories, Redemption describes the amazing journey of one of UNC's most inspiring championships, from heartbreak in Houston to the storybook finish in Phoenix. Here readers can get the team's perspective on what propelled them to a title and find out what moments the players and coaches considered most important, both on and off the court. The result is a must-have book for Tar Heel fans everywhere.

Kev is just out of the Young Offenders Institute and is determined to keep his nose clean, but back on the streets the pressure is mounting...

Tales from the Tar Heel Locker Room: Second Edition is a compilation of the best notes, quotes and anecdotes from North Carolina lore. In these pages, you will meet a coach nicknamed "Bloody Neck," a player called "The Blind Bomber," and a team known as the "White Phantoms." Of course, there is also Bones McKinney, one of basketball's all-time funnymen. With Bones, the Heels laughed all the way to the 1946 NCAA finals. At the end, they cried after losing. Then there is Frank McGwire, whose "Underground Railroad" carried the Tar Heels to an undefeated season and a national title in 1957. The 2005 NCAA championship run is told! And, of course, there is Smith and the extraordinary Michael Jordan.

Ken Rappoport ' s Tales from the North Carolina Tar Heels Locker Room is a compilation of the best notes, quotes, and anecdotes from North Carolina lore. Meet a coach nicknamed " Bloody Neck, " a player called " The Blind Bomber, " and a team known as the " White Phantoms. " And, of course, there is the extraordinary Michael Jordan. Tales from the North Carolina Tar Heels Locker Room captures the anecdotes and memories that have defined this team from the early twentieth century up through their incredible success in the 2000s and beyond. A must-have for any Tar Heels fan!

Leading college coaches, players, and other legendary stars of share their personal insights and memories in a series of oral histories that celebrate great moments with some of America's greatest college teams across the country, in a series highlighted by archival photographs.
