environments and terrain, and your feet will remain dry, warm, and supported. They offer excellent arch support and are lightweight, given the features they come with. [Click To See More](#)

Designed for both resident and out-of-state hunters, this comprehensive travel/hunting guidebook has information on hunting tactics and techniques, shot placement, habitat and habits, hunting on public and private lands, and caring for meat and trophies. Also includes essential travel information on restaurants, meat processors, gunsmiths, and more.

The Orvis Guide to Beginning Wingshooting is required reading for anyone interested in picking up the sport or improving their shooting skills. Experienced shooter and teacher Tom Deck shares his tips, as well as insider tricks from the most successful wingshooters. The Orvis Company began one of the very first shooting schools in America almost fifty years ago. Today, Orvis has schools, lodges, outfitters, and guides all dedicated to helping bird hunters discover and enjoy wingshooting. This book is a combination of the 101 best tips from many of the Orvis shooting instructors, outfitters, and guides. Chapters feature topics such as: • Safety and etiquette • Proper equipment • Eye dominance • Sporting clays and other games • Field shooting • Trap and skeet • Correct stance • Shotgun care • And much more! It is packed full of expertise for the absolute beginner, but even the seasoned wingshooter will find some helpful tips to sharpen their skills. From the basics of gun safety, to learning how to correctly spread your duck decoys, The Orvis Guide to Wingshooting covers it all. Add this volume to your hunting shelf and you ' ll see a great improvement in your wingshooting technique

A thorough, informative guide to the growing sport of elk hunting with in-depth coverage of current equipment and gear.

The Ultimate Preppers' Guide is packed with practical approaches, step-by-step instructions, and how-to explanations for disaster and emergency preparation. Knowledge maps, flow charts, and templates provide important information at a glance and walk you through your decisions on personalizing and customizing disaster preparation for you, the family, and your business. The Ultimate Preppers' Guide is logically organized, easy to reference, and simple to understand. It provides diverse coverage of disaster prep topics, including a comprehensive look at disaster first aid and medical problems where there are no responders or hospitals immediately available. This book brings you up to date on emerging prep trends and technologies and examines what works and what doesn't. It explains how to prep with the budget you have and with many of the materials you already have at hand. It includes chapters on basic preparedness, communications, resource conservation, power and energy, emergency heating and cooling, water, food and nutrition, shelter, evacuation, public health, special needs, and specific hazards. This book will not just get you ready beforehand. When a disaster has happened, it will provide ideas for surviving, coping, and recovering.

Practical advice for the on-the-go outdoorsman, this field-friendly guide is essential for anyone interested in first-aid preparation and care. Here is advice useful on a hike or for

any fishing trip, including step-by-step instructions on dealing with fractures, suturing wounds, treating eyes and ears, managing allergic reactions, and more. With common sense advice, and in a handy, portable package, this is one little book that no one should be without in a campsite or in their forest hideaway.

A handy guide to hunting one of America's favorite game birds. Having lived most of his life in rural Missouri, Monte Burch has a wealth of knowledge to share on all things hunting. In *The Pocket Guide to Spring and Fall Turkey Hunting*, Burch draws on more than two decades of turkey hunting experience and collects it in an easily accessible pocket guide. Included is essential advice on: Selecting the right shotgun and shells Effectively using friction boxes, tube calls, diaphragms, and more Hunting with a bow Scouting Choosing and placing decoys Selecting the best camouflage and clothing Setting up for the perfect shot in any situation Whether you're a novice turkey hunter or an experienced professional, *The Pocket Guide to Spring and Fall Turkey Hunting* will undoubtedly prove to be an essential reference. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

A comprehensive big-game hunting guide, perfect for hunters ranging from first-time novices to seasoned experts, with more than 400 photographs, including work by renowned outdoor photographer John Hafner Steven Rinella was raised in a hunting family and has been pursuing wild game his entire life. In this first-ever complete guide to hunting—from hunting an animal to butchering and cooking it—the host of the popular hunting show MeatEater shares his own expertise with us, and imparts strategies and tactics from many of the most experienced hunters in the United States as well. This invaluable book includes • recommendations on what equipment you will need—and what you can do without—from clothing to cutlery to camping gear to weapons • basic and advanced hunting strategies, including spot-and-stalk hunting, ambush hunting, still hunting, drive hunting, and backpack hunting • how to effectively use decoys and calling for big game • how to find hunting locations, on both public and private land, and how to locate areas that other hunters aren't using • how and when to scout hunting locations for maximum effectiveness • basic information on procuring hunting tags, including limited-entry “draw” tags • a species-by-species description of fourteen big-game animals, from their mating rituals and preferred habitats to the best hunting techniques—both firearm and archery—for each species • how to plan and pack for backcountry hunts • instructions on how to break down any big-game animal and transport it from your hunting site • how to butcher your own big-game animals and select the proper cuts for sausages, roasts, and steaks, and how to utilize underappreciated cuts such as ribs and shanks • cooking techniques and recipes, for both
