This series has been developed for the Cambridge Lower Secondary Global Perspectives Curriculum Framework (1129). This learner's skills book for Stage 7 has been created to help students develop key 21st century skills. Written by experienced teacher and author, Keely Laycock, students are encouraged to reflect on topics at a personal, national and global level, while developing skills for their future in a scaffolded and measurable way. Produced with feedback from teachers and students all around the world, teachers will benefit from a flexible resource that they can tailor to their classroom needs.

A subject-specific guide for international secondary teachers to supplement learning and provide resources for lesson planning. Approaches to learning and teaching Global Perspectives is the result of close collaboration between Cambridge University Press and Cambridge International Examinations. Considering the local and global contexts when planning and teaching an international syllabus, the title presents ideas for Global Perspectives with practical examples that help put theory into context. Teachers can download online tools for lesson planning from our website. This book is ideal support for those studying professional development qualifications or international PGCEs.

Perspectives and Research (9239), for first examination from 2016. The coursebook helps students and teachers understand the Critical Path via exploration of international topics, such as climate change. This helps develop students' ability to think critically and consider alternative viewpoints in preparation for university and employment. With exam-style questions, group discussion activities and personal reflection, the coursebook provides structure through a skills-based syllabus, while helping build important life skills. Suggested answers to coursebook questions are on the upcoming teacher's resource CD-ROM.

Develop your students thinking and reasoning skills in a global context with structured teaching support for the latest Cambridge syllabus (0457). Help your students reach their full potential with Student Book teacher notes and activity guidance, skills development planners, extra case studies, research project suggestions and group project advice.

The Cambridge Lower Secondary Complete Global Perspectives Teacher's Guide is a simple-to-use resource that offers a clear approach to teaching the subject to help students get the most out of it and support them in developing the outlook of global citizens.
