Over two million VW Transporter T5s and Caravelles were sold between 2003, when the model was launched, and 2015, when it was replaced by the current T6. So it ' s fair to say, it ' s very popular. The Transporter, by the way, is the panel van version – available in short and long wheelbase forms – while the Caravelle is the people carrier.

This book is a very complete guide to converting a VW T5 from a van to a camper. It seems rather more geared toward those who are buying ready made units etc than those who are doing a scratch built conversion. It is very detailed though and covers everything well. Definitely handy to have if you are planning your own conversion.
