ENTER THE WORLD OF UPTOWN Uptown . . . where money rules Uptown . . . where ambition trumps tradition Uptown . . . where politics come before everything Uptown . . . where a family ' s secrets will bring them together—or down After twenty years away, Avery Lyons returns to New York when her mother and uncle suffer a serious car accident. The tragedy brings the family together, but Avery is not happy about the impromptu reunion. She no longer recognizes the Harlem of her childhood, but the same old family dynamics and secrets are all too familiar . . . Heir to a real estate empire, Dwight is willing to do anything to realize his aging and demanding father ' s dream: Dixon Plaza, a luxury high-rise development on Central Park North that will change the face of Harlem forever. There ' s only one thing in his way: his cousin Avery has inherited a share of the property. She ' s more than willing to sell until a reporter uncovers the truth behind the rumored shady dealings . . . In Uptown a prominent Harlem family is strained to the breaking point by the high-stakes world of the Manhattan real estate industry, and one woman searches for her identity and the will to forgive. Steamy, provocative, and sexy, Uptown is a turbulent and triumphant read.

Melissa Ginsburg's *The House Uptown* is an emotional coming-of-age novel about a young girl who goes to live with her eccentric grandmother in New Orleans after the death of her mother Ava, fourteen years old and totally on her own, has still not fully processed her mother ' s death when she finds herself on a train heading to New Orleans, to stay with Lane, the grandmother she barely remembers. Lane is a well-known artist in the New Orleans art scene. She spends most of her days in a pot-smoke haze, sipping iced coffee, and painting, which has been her singular focus for years. Her grip on reality is shaky at best, but her work provides a comfort. Ava ' s arrival unsettles Lane. The girl bears an uncanny resemblance to her daughter, whom she was estranged from before her death. Now her presence is dredging up painful and disturbing memories, which forces Lane to retreat even further into her own mind. As Ava and Lane attempt to find their way and form a bond, the oppressive heat and

history of New Orleans bears down on them, forcing a reckoning neither of them are ready for.

An insightful look at the urban sensibility that gives the Great American Songbook its pizzazz.

Jefferson Parish is the story of a boy, Matthew Laurent. Born during the post-desegregated south but before full acceptance of races “ other ” than his own, the white race. While much of the overt racism of the old south was gone, it was not totally eradicated. In fact, in the early 1980 ’ s there were still plenty of racist holdouts, unwilling to let their old, oppressive way die. Not long after the death of his brother, Matthew ’ s life would dramatically change forever. Feeling alone and struggling to make sense of the world, Matthew befriended a new classmate, Jamal. Jamal, a black boy new to Jefferson Parish...shy and reserved at first, he and Matt would form a bond that would last a lifetime. Both Matthew and Jamal had big dreams. The boys, each in search of something, but something very different from each other, wanted more than Jefferson Parish could offer. Matthew would eventually find himself working in the Middle East where he would meet a beautiful young woman that made him feel something he had thought he had lost forever. Events would compel Matt to return to Jefferson Parish and force him to address both old and new wounds. Back in the parish, he soon realized that while some people were willing to change, others were not. Matt ’ s life is one of turmoil, though he himself is not tumultuous. Searching for meaning and stability, Matt ’ s journey seems fraught with pain, yet he can ’ t give up. Happiness might be right around the corner. Jefferson Parish is the story of family, by blood or other, racial intolerance, friendship and most of all forgiveness.

Twelve previously uncollected experimental shorter plays: The Chalky White Substance •

The Day on Which a Man Dies (An Occidental Noh Play) • A Cavalier for Milady • The Pronoun "I" • The Remarkable Rooming House of Mme. LeMonde • Kirche, Küche, Kinder (An Outrage for the Stage) • Green Eyes • The Parade • The One Exception • Sunburst • Will Mr. Merriwether Return from Memphis? • The Traveling Companion Even with his great commercial success, Tennessee Williams always considered himself an experimental playwright. In the last 25 years of his life his explorations increased—especially in shorter forms and one-act plays—as Williams created performance pieces with elements of theater of the absurd, theater of cruelty, theater of the ridiculous, as well as motifs from Japanese forms such as Noh and Kabuki, high camp and satire, and with innovative visual and verbal styles that were entirely his own. Influenced by Beckett, Genet, and Pinter, among others, Williams worked hard to expand the boundaries of the lyric realism he was best known for. These plays were explicitly intended to be performed off-off Broadway or regionally. Sometimes disturbing, sometimes outrageous, quite often the tone of these plays is rough, bawdy or even cartoonish. While a number of these plays employ what could be termed bizarre "happy endings," others gaze unblinkingly into the darkness. Though several of Williams' lesser-known works from this period have already been published by New Directions, these twelve plays have never been collected. Most of these shorter plays are unknown to audiences and scholars—some are published here for the first time—yet all of them embrace, in one way or another, what Time magazine called "the four major concerns that have spurred Williams' dramatic imagination: loneliness, love, the violated heart and the valiancy of survival."

H4Detective William H. Ryan leads the detective squad that is placed on the front lines to solve high visibility multiple murders. Murders that involve the excessive use of phlebotomy, the practice of opening one's veins to draw out the blood, and truculent and sexual torture. Their investigation and search intertwine and draw members of Ryan's family, organized crime, and the love of his life into the fray. The killer is smart, rich, and immutable in his quest to satisfy his unquenchable desire to kill and enjoy the pain and suffering he inflicts. Detective William H. Ryan is drawn, pulled, pushed and driven through levels of emotion that he never believed existed. His skills, abilities, and multiple avenues of information gathering are stretched to their limits. The involvement, and the unknown inter-workings, of organized crime interwoven with the hard-working Detective Division of a big city police force, offer some level of understanding of the complexities of finding the guilty. They all are striving to reach this one goal, with different conclusions in mind, and in their efforts offer some insight into the complex worlds that one must pass through to attain this goal. The investigation of all that confronts Detective Ryan takes one through many strange twists and turns and visits many dark places. Places that only excessive emotion can create, and/or cause to develop, places that are sometimes better left unvisited, investigated or disturbed.
