"The Real Thing" is a short story by Henry James, first syndicated by S. S. McClure in multiple American newspapers and then published in the British publication Black and White in April 1892 and the following year as the title story in the collection, The Real Thing and Other Stories published by Macmillan. This story, often read as a parable, plays with the reality-illusion dichotomy that ...

When the porter's wife (she used to answer the house-bell), announced "A gentleman--with a lady, sir," I had, as I often had in those days, for ...

The Real Thing by Henry James - Full Text Free Book

The Real Thing – critical commentary. This is a very popular, well-known, and much reprinted tale – possibly because it is so short, so touching, and because it seems to offer an easy glimpse into the theories of art that James wrote about so obscurely in the famous 'Prefaces' to the New York edition of his collected works.

The Real Thing - a tutorial, study guide & critical commentary

In The Real Thing, written by Henry James, artifice, regarding art, is a glorified representation of reality and, therefore, possesses a greater quality of realism to it than reality itself. James, here, alludes to the factor of malleability in many separate occasions throughout the piece. Perhaps this quality is more important than a certain graceful stagnancy which permeates this short story.

Book Discussion: The Real Thing by Henry James - Owlcation ...

Published a few years before the great novels of James's so-called late style, characterized by rhetorical complexity, "The Real Thing" is interesting as an example of its author's ...

The Real Thing Analysis - eNotes.com

The Real Right Thing first appeared in Collier's Weekly for December 1899 at a time when Henry James was producing a number of his famous ghost stories. Its first publication in book form was in The Soft Side in 1900, alongside tales such as The Third Person, The Tree of Knowledge, John Delavoy, The Great Condition, and Miss Gunton of Poughkeepsie. The Real Right Thing – critical ...

The Real Right Thing - Wikipedia

Henry James has had a tremendous influence on the development of the novel. Part of this influence has been through the type of realism that he employs. On the other hand, the most frequent criticism against James has been that he is not realistic enough. Many critics have objected that James does not write about life, that his novels are filled with people whom one would never meet in this ...

The Realism of Henry James

"The Real Thing" is one of Henry James' most famous, shortest, and most accessible short stories. Like "The Figure in the Carpet" it has the advantage that it addresses both art and criticism. Both stories are concerned with the production of fiction. "The Figure in the Carpet" raises the question whether there is intrinsic meaning in art. (Whether it answers the question is another matter ...

The Real Thing eBook: James, Henry: Amazon.co.uk: Kindle Store

"The Real Thing," one of Henry James's most delicate exercises in irony, is the story of a young artist's encounter with an odd couple—a well-dressed, middle-aged, rather vacuous pair named the Monarchs, who come to his studio one day and offer themselves as professional models. He is taken aback—he had thought they were society people who had come to have their portraits painted ...

THE REAL THING by Henry James FULL AUDIOBOOK | Best ...

Realization in Henry James' "The Real Thing"?Mr. James' creations always seem real. (Literary World, 8 April 1893) In a journal entry set down in Paris on 22 February 1891, James clarified his intentions and worked out additional details for "The Real Thing," a story that he had already begun to write. It had come to him from his friend, the artist George du Maurier. A "lady and gentleman" had ...

Realization in Henry James' 'The Real Thing'

Henry James's "The Real Thing" seems to see through social artifice, or at least, to see that appearances may not suit one's idea of what appearances should be. The story concerns people's perceptions, in a shallow way, but deeply, given the context. A well written piece.

"THE REAL THING" AND "THE LIAR" By Lyall H. Powers Most of Henry James's stories of artists which he chose to include in the New York Edition of his works are to be found in volumes XV and XVI of the 1907-1909 Edition. Two notable exceptions are the oft-reprinted "The Real Thing" (1892) in volume XVIII, and the less familiar "The Liar" (1888) in volume XII. The reason for their separation ...
