This is the road map to a seven-figure business . . . in one year or less The word "entrepreneur" is today's favorite buzzword, and any aspiring business owner has likely encountered an overwhelming number of so-called "easy paths to success." The truth is that building a real, profitable, sustainable business requires thousands of hours of commitment, grit, and hard work. It's no wonder why more than half of new businesses close within six years of opening, and fewer than 5 percent will ever earn more than \$1 million annually. 12 Months to \$1 Million condenses the startup phase into one fast-paced year that has helped hundreds of new entrepreneurs hit the million-dollar level by using an exclusive and foolproof formula. By cutting out the noise and providing a clear and proven plan, this roadmap helps even brand-new entrepreneurs make decisions quickly, get their product up for sale, and launch it to a crowd that is ready and waiting to buy. This one-year plan will guide you through the three stages to your first \$1 million:

- The Grind (Months 0-4): This step-by-step plan will help you identify a winning product idea, target customers that are guaranteed to buy, secure funding, and take your first sale within your first four months.
- The Growth (Months 5 - 8): Once you're in business, you will discover how to use cheap and effective advertising strategies to get your product to at least 25 sales per day, so you can prove you have a profitable business.
- The Gold (Months 9-12): It's time to establish series of products available for sale, until you are averaging at least 100 sales per day, getting you closer to the million-dollar mark every single day.

Through his training sessions at Capitalism.com, Ryan Daniel Moran has helped new and experienced entrepreneurs launch scalable and sustainable online businesses. He's seen more than 100 entrepreneurs cross the seven-figure barrier, many of whom go on to sell their businesses.
