he's sharing what he knows with you, Grasshopper! His cohorts have always been—and still are—some of the best in the business: Jack Kirby, John Romita, Sr., Neal Adams, Gil Kane, Mike Deodato, Jr., Frank Cho, and Jonathan Lau, and many others, Stan includes their work here and discusses what exactly makes it so great. He touches on all the important stuff: anatomy, foreshortening, perspective, action, penciling, inking, hand lettering vs. digital lettering, color, character and costume design, panel flow, materials and tools, computers, file formats, and software. He includes an overview of the history and development of the comic book industry, and there's an extensive section on various types of covers—the super important element that makes the reader want to pick up that comic! In a world where good battles evil at every turn and the hero fights valiantly to get the girl, no stone is left unturned!
