Sam and Chloe never thought they would spend the summer holidays fighting a battle against the dark past that haunts Kingsholt, a mansion inherited by Chloe's parents. A long time ago the Vikings burnt down the monastery that was built near Kingsholt. A few monks who escaped hid the monastery's treasure and dug a pit in which to bury the slaughtered monks. They swore that if anyone opened up the pit and used it for other purposes a darkness would fall over the area. Nimbus,an obsessive one-time circus hypnotist and acrobat, lives with his wife and two children in a cottage in the woods of Kingsholt. He opens up the pit and uses it for all his rubbish. With death, kidnap and madness ensuing, can Sam and Chloe and their guardian Aidan, bring back the light to Kingsholt?

Many people are longing to find the footprint of God in their daily lives. This beautiful daily companion is comprised of 365 selections of scripture, commentary, meditations, and daily exercises to help readers see how they can bring their entire life into a life with Immanuel - a God who is with his people. In Richard Foster's best-selling book, Celebration of Discipline, he explored the "classic disciplines," or central spiritual practices of the Christian faith. Foster showed that it is only by and through these practices that the true path to spiritual growth can be found. In A Year with God, the spiritual disciplines are presented in such a way that does not destroy the soul but enables the reader to enter into a transforming life with God. Through daily spiritual exercises and meditations, A Year with God explores eighteen spiritual disciplines. The inward disciplines of meditation, prayer, fasting, and study offer avenues of personal examination and change. The outward disciplines of simplicity, solitude, submission, and service help prepare one to make the world a better place. The corporate disciplines of confession, worship, guidance, and celebration bring one nearer to others and to God. Each discipline will be given twenty days of readings, beginning with scripture and followed by commentary, a meditation, and a spiritual exercise. Practicing these spiritual disciplines will help readers live intentionally, contributing to a more balanced spiritual life and a reformation of the inner self.
