harrowing portrait of life on the wrong side of the tracks, and a rich warning from a true survivor.

New edition of the perennial cult classic with a specially commissioned introduction by Irvine Welsh

The author that brought black literature to the streets is back. Weaving stories of deceit, sex, humor and race Iceberg Slim, best-selling author of Pimp, brings us the story of a hustler who doesn't just play the con game, he transforms it. This is the gritty truth, the life of a hustler in south side Chicago where the only characters are those who con and those who get conned. Trick Baby tells the story of "White Folks," a blue-eyed, light-haired, con-artist whose pale skin allows him to pass in the streets as a

white man. Folks is tormented early in life, rejected by other children and branded a "Trick Baby," the child conceived between a hooker and her trick. Refusing to abandon his life in the ghetto and a chance at revenge, Folks is taken under the wing of an older mentor, Blue. What happens next is not to be believed. Only Slim could bring us the story of a hustler, forced to learn the game and rise to the top. It's Slim's story and he tells it in the only way he knows how, in the language of the streets.

In a classic urban-fiction tale, a light-skinned, blue-eyed black con man nicknamed "White Folks" plans his most ambitious caper. Reissue.

The most gritty and real illustration of the black ghetto ever told, from the

only man capable of telling it, Iceberg Slim, bestselling author of Pimp. Mama Black Widow tells the tragic story of Otis Tilson, a stunning black drag queen trapped in a cruel queer ghetto underworld. In hopes of escaping the racial bigotry and economic injustice of the South, Otis' family journeys north from their plantation to an urban promised land. Once in Chicago Otis and his brother and sisters become prisoners to a wasteland of violence, crime, prostitution and rape. This is the gut-wrenching tale of the destruction of a family and the truest portrayal of homosexuality in the ghetto ever told.

Robert Beck, author of the multimillion-copy memoir *Pimp* and such equally popular novels as *Trick Baby* and *Mama Black Widow*. From a career as a, yes, ruthless pimp in the '40s and '50s, Iceberg Slim refashioned himself as the first and still the greatest of "street lit" masters, whose vivid books have made him an icon to such rappers as Ice-T, Jay-Z, and Snoop Dogg and a presiding spirit of "blaxploitation" culture. You can't understand contemporary black (and even American) culture without reckoning with Iceberg Slim and his many acolytes and imitators. Literature professor Justin Gifford has been researching the life and work of Robert Beck for a decade, culminating in *Street Poison*, a colorful and compassionate biography of one of the most complicated figures in twentieth-

century literature. Drawing on a wealth of archival material—including FBI files, prison records, and interviews with Beck, his wife, and his daughters—Gifford explores the sexual trauma and racial violence Beck endured that led to his reinvention as Iceberg Slim, one of America's most infamous pimps of the 1940s and '50s. From pimping to penning his profoundly influential confessional autobiography, *Pimp*, to his involvement in radical politics, Gifford's biography illuminates the life and works of one of American literature's most unique renegades.

In the tradition of Donald Goines and Iceberg Slim comes *A Pimp's Life*, the story of the rise and fall of Mack Jones. He's at the top of his pimp game in Queens, New York, until he

breaks one of the cardinal rules of Pimping 101 and falls in love with one of his girls. Destiny was once an innocent young girl tricked into selling her body, but now she's as tough as the most seasoned professionals on the street. Then a tragic turn of events causes her to open her heart once again. When Mack is shot, she stays by his side during his recovery, proving herself to be as devoted as any wife would be to her husband. After she sees that Mack has regained his strength, Destiny finally gathers the courage to leave the life behind her, and Mack is forced to make a decision. He won't stop her from leaving, but he must decide if he will follow her out of the game. Will he stay with what he's always known, or take a chance on love? Whoreson Jones is the son of a beautiful black prostitute and an unknown white john. As a child, he's looked after by his neighbourhood's imposing matriarch, Big Mama, while his mother works the streets. At the age of 12, his street education begins when a man named Fast Black schools him in trickology. By 13, Whoreson is a cardsharp. At the age of 16 his childhood comes to an abrupt end when he becomes a fully-fledged pimp: cold-blooded and ruthless. As he battles to understand his world, he must learn to live up to his mother's words, 'First be a man, then be a
