Nothing can stop Raine Cooper when she wants something... Raine finally knows that her gorgeous neighbor, Torin St. James, is a legend straight out of Norse mythology, and that her feelings for him are strong. Torin is crazy about Raine too, breaking the one rule he lives by: Never fall for a mortal. The problem is he no longer remembers her, his memories erased by Norns—Norse destiny deities—to punish her for defying them. So Raine comes up with a plan... She will make Torin forget his one rule a second time and fall in love with her all over again. But she quickly learns that well-laid plans do not work when dealing with deities and supernatural beings. Desperate, Raine makes choices that could not only tear her and Torin further apart, but lead to the destruction of everything and everyone she loves.

I love Torin St. James... I need his strength... But someone from his past wants me dead. Raine Cooper is certain of two things: her love for Torin St. James and her destiny to be a powerful seeress. But when she starts having premonitions, they are unclear and disturbing. Worse, they involve Torin. With her mother gone, her father dying, and her best friend in Hel, she is not sure who to talk to. But when the visions become more personal and she foresees her future with Torin threatened by someone from his past, Raine becomes desperate for answers. Just her luck two new students arrive at her school and they seem to have answers. When with them, her powers are enhanced and her visions become clear. There is only one problem: Torin forbids Raine to see the two girls. Can their love survive without trust? Reading Order: Runes (book 1) Immortals (book 2) Grimnirs (book 2.5) Seeress (book 3)

Hot, beautiful,and cocky is not all you’ll get after meeting Echo! He’s up for a challenge and set on stealing the Runes series title. " Best Book Crush! " - Julia Hendrix @ As You Wish Reviews Straight out of the psych ward, Cora just wants her life to be normal. She doesn ’ t want to see souls or the reapers collecting them. The guy she ’ s loved from a distance for years moves away without saying goodbye. So yes, she ’ s nursing a serious heartbreak. It ’ s no wonder love is the last thing on her mind when Echo storms into her life. The chemistry between them is mind-blowing.The connection defies logic. Even better, the souls leave her alone when he is around. Too bad Echo is the poster boy for everything she hates in a guy—hot, beautiful,and cocky. He is also a soul reaper. A Grimnir. The very beings she wants out of her life. Maybe normal is overrated because Cora wants it all. Answers. Love. A life.
