definition ...

This is a story of a young girl's travel into a land where the unicorns live. After being hounded out of our world, the unicorns settled in another where only a few humans can go. This young girl and her grandmother were being chased by a hunter and grandmother gave her amulet to the girl to save her and sent her to the other land.

Into the Land of Bones also examines the conflict from the point of view of the local warlords who pushed the invading Greeks to the limits of their endurance—and sometimes beyond, into mania and mutiny. The lively narrative situates the current war in Afghanistan in a broader historical perspective.
