Jesus Christ alone answers our deepest questions. We all have doubts that challenge our faith. We wonder whether the Bible still matters, or whether God is truly as loving and personal as we hope. In his first ever devotional, *The Logic of God*, apologist Ravi Zacharias offers 52 readings that explain how and why Christianity, the Bible, and God are still relevant, vital, and life-changing for us today. To all our dilemmas Ravi says, "I am convinced that Jesus Christ alone uniquely answers the deepest questions of our hearts and minds." With a remarkable grasp of biblical facts and a deep understanding of the questions that trouble our hearts, Ravi tackles the most difficult topics with ease and understanding. But *The Logic of God* is more than intellectual; it is also personal, offering thoughtful wisdom on: when Jesus draws especially near you. the deep ray of hope found in God's Word. how God transforms disappointments. why prayer matters. how genuine peace is possible. making sense of suffering. Ravi makes profound biblical truth easy to understand. And if your life is busy, this book is designed for you! It addresses 52 topics that you can read over the course of one year or slowly digest at your own pace. Each entry includes a Scripture, questions for reflection, and some practical application steps. When you're struggling with questions and doubts, confused, curious, or just want a clearer way to express your faith *The Logic of God* has answers that satisfy the heart and the mind.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity." —James Baldwin From the Paperback edition.
