Using first-person narratives, collected through oral history interviews, the book emphasizes women's role in their families and communities, treating women as important actors in the economic, social, cultural, and political life of the segregated South. By focusing on the commonalities of women's experiences, as well as the ways that women's lives differed from the experiences of southern black men, Living with Jim Crow analyzes the interlocking forces of racism and sexism.

Living through the Jim Crow era gave African Americans strength and motivation to fight for more equal rights. The NAACP was partly created to help African Americans cope with Jim Crow and it gave them many opportunities for a better life.

How The Jim Crow Era Affected African American Culture

As a body of law, Jim Crow institutionalized economic, educational, and social disadvantages for African Americans living in the South. Jim Crow laws and Jim Crow state constitutional provisions mandated the segregation of public schools, public places, and public transportation, and the segregation of restrooms, restaurants, and drinking fountains between white and black people.

Jim Crow laws - Wikipedia

Life under Jim Crow Laws for African Americans was truly hard. White people abused the laws so they could treat the black people unfairly. Black people had anger and rage for the whites inside...

What was life like for African Americans under Jim Crow ...

Jim Crow laws were a set of laws that segregated the Whites from the Blacks in their everyday lives. Jim Crow was a fictional character in a play used that was to imitate a black man and mock the African American culture. Jim Crow laws were specifically for the African American community. These laws were

In response to Jim Crow Era laws and lynchings, African Americans in the South began participating in the Great Migration. African Americans moved to cities and industrial towns in the North and West hoping to escape the de jure segregation of the South. However, they were unable to elude de facto segregation, which barred African Americans in the North from joining specific unions or being hired in particular industries, purchasing homes in some communities, and attending choice schools.

The Jim Crow Era - ThoughtCo

Jim Crow In the late nineteenth and early twentieth centuries, South Carolina enforced the second-class citizenship of African Americans through segregation, residential, political, and social isolation - a rigid legal system known as Jim Crow laws.
