Lucina (mythology) In ancient Roman religion, Lucina was a title or epithet given to the goddess Juno, and sometimes to Diana, in their roles as goddesses of childbirth who safeguarded the lives of women in labor. The title lucina (from the Latin lux, lucis, "light") links both Juno and Diana to the light of the moon, the cycles of which were used to track female fertility as well as measure the duration of a pregnancy.

Annia Aurelia Galeria Lucilla or Lucilla was the second daughter and third child of Roman Emperor Marcus Aurelius and Roman Empress Faustina the Younger. She was the wife of her father's co-ruler Lucius Verus and an elder sister to later Emperor Commodus. Commodus ordered Lucilla's execution after a failed assassination and coup attempt when she was about 33 years old.

Lucinda Rome. Lucinda joined the Aardvark team in 2010, fresh from several years working at a remote bush camp in Zambia’s South Luangwa Valley – a position she found after her passion for Africa was sparked by a charity climb up Kilimanjaro and a Kenyan safari – organised, coincidentally, by Aardvark. Unable to drag herself away, the initial five month position eventually spanned four years and stints working for two of the best safari companies in Zambia.

You can pull off it even if achievement Page 2/22

This volume provides a reconstruction of the religion of Palmyrenes in Dura-Europos on the basis of archaeological remains, and focuses upon the religious interaction between this migrant community and their new residence.

Commemorating the Dead analyzes and interprets the material remains of Roman period burials in light of ancient texts. Is the move from columbaria to catacombs the result of evolving religious identities or simply a matter of a change in fashions? What Greco-Roman and Jewish funerary images were “baptized” as Christian ones? In Commemorating the Dead, archaeologists, Roman historians, and scholars of Judaism and Early Christianity engage in a cross-disciplinary conversation on the impact of Roman and Jewish burial customs on the creation of early Christian memorial practices.

This history of Roman Palmyra offers an examination of how the Palmyrenes constructed and maintained a unique identity, individually and collectively, amid progressive communal changes.

1970 includes special supplement: Concise explanation of the Tax Reform Act of 1969.

Winner of the Spur Award for Best Historical Novel “Douglas C. Jones is one the great novelists of the American West, and Roman is one of his finest works—a hugely entertaining story with unforgettable characters.”—James Donovan, Author of A Terrible Glory: Custer and the Little Bighorn Young Roman Hasford stood by his mother and sister on the family’s Arkansas hill farm while his father was off fighting in the Civil War. Now that his father has returned, Roman heads west to blaze his own trail. Eager for adventure, Roman gets more than he bargained for—from the rough-and-tumble boomtown of Leavenworth, Kansas, to the blood-soaked prairies where he fights Cheyenne warriors at the Battle of Beecher’s Island. Authentic and action-packed, Douglas C. Jones’s Roman is an epic, unforgettable coming-of-age story, set against the background of the sprawling, wild, new frontier of the American West.
