Activate Learning with Warren/Reeve/Duchac's, FINANCIAL AND MANAGERIAL ACCOUNTING, 12e, International Edition! Market-leading FINANCIAL AND MANAGERIAL ACCOUNTING, International Edition has been on the forefront of innovation and change based on the needs of today's teaching and learning environment. Warren offers students clear guidance to complete homework with an efficient presentation for today's learner. The high impact writing style and streamlined design makes important information accessible, with a focus on providing the best and most complete examples. The Complete Learning System in FINANCIAL AND MANAGERIAL ACCOUNTING, International Edition and CengageNOW is built around the way students use textbooks and online resources to learn, study and complete homework, allowing them to achieve ultimate success in this course. New to this edition, the authors created innovative, unique content that is focused on unique student and instructor needs before and after lecture – and the type of activities best-suited to each point in learning. New content like the author-written Activation Exercises, helps students come to class more prepared, and enables them to more easily connect the dots, enhance their depth of knowledge and have better tools for remediation and review. The end goal of Warren/Reeve/Duchac's text and technology learning system is to Activate Learning & create more empowered & prepared students--ready to take on the rest of their educational and career goals.

Each chapter includes an overview of the main topics, and multiple choice, true/false, and short answer questions tied to the chapter goals.

This work takes a real-world, single focus company approach in every chapter. The decision-making focus shows the relevance of financial accounting regardless of whether the student has chosen to major in accounting.

Expanding on Proven Success with Horngren's Accounting Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. Also available with MyAccountingLab ® MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

You'll find the tools you need to help work through end-of-chapter assignments with these working papers. The preformatted files provide a starting point by giving you a basic structure for journal entries and problems.
