Marijuana Legalization and the Military. With twenty-three states now permitting marijuana use in some form, questions abound regarding the implications for military justice. For Active Duty servicemembers the answer is clear, and your UA must be too. In or out of uniform, if the service is your day-job, the UCMJ applies 24/7, and as long as marijuana remains on the federal schedule of controlled substances, possession or use will be a prosecutable (or more often separable) offense.

According to the Military Times, fitness standards, tattoo regulations and marijuana use will be eased. According to a report by USA Today, the Army has been dipping into so-called “Category Four” recruits to try to meet a goal of recruiting 80,000 new soldiers, up from 69,000 new soldiers last year. Category Four recruits are those who score in the bottom third of Armed Services Vocational Aptitude Battery testing.

“no.” The federal government has made  
its stance on the use of marijuana clear.  
Despite the fact that many U.S. states have  
legalized the use of medicinal cannabis,  
the federal government still views it as an  
illegal substance.
