The Emacs 27 Edition of Mastering Emacs is out now I have updated the Mastering Emacs book so it covers Emacs 26 & 27. Both versions of Emacs highlight just how much momentum there is in Emacs core and in the community: Emacs is bursting at the seams with cool, new features (as you can read about in What's new in Emacs 27 and Read More →

Mastering Emacs
"Mastering Emacs" is a great reference for many Emacs features, both widely known and quite obscure. As for the book part (especially, a book for beginners) - not so much. Sometimes it gets incoherent describing different customizations, pointing at caveats that are not relevant at the novice level.

Mastering Emacs by Mickey Petersen - Goodreads
When you have read this book you will understand Emacs. Learn Emacs

from the ground up. In the Mastering Emacs ebook you will learn the answers to all the concepts that take weeks, months or even years to truly learn, all in one place.

Mastering Emacs. When you have read this book you will understand Emacs. Learn Emacs from the ground up. In the Mastering Emacs ebook you will learn the answers to all the concepts that take weeks, months or even years to truly learn, all in one place.

Mastering Emacs | Mickey Petersen | download
With Emacs's ability to browse PDF files I could review the book inside Emacs, next to the reStructuredText file, which came in handy occasionally. General Editing Throughout the course of writing the book I spent the entire time editing and moving and commands that work on sentences (M-e , M-a , M-k) and paragraphs (M-{ , M-}) came in ...

How to write a book in Emacs - Mastering Emacs
The Emacs 27 Edition of Mastering Emacs is out now. By Mickey Petersen. I have updated the Mastering Emacs book so it covers Emacs 26 & 27. Both versions of Emacs highlight just how much momentum there is in Emacs core and in the community: Emacs is bursting at the seams with cool, new features (as you can read about in What's new in Emacs 27 and What's new in Emacs 26 .)

The Emacs 27 Edition of Mastering Emacs is out now ...
TheCraftOfTextEditing — a non-introductory book about text editors, specifically Emacs. Mastering Emacs. Book about basic, but also complex Emacs topics. Author's perspective is good for people coming from more recent editors, like Sublime text. https://www.masteringemacs.org/ XEmacs auf Gut Deutsch

EmacsWiki: Books About Emacs
I didn't buy it, though, a friend of my had it and I read the whole book book. It's nice, well written and nice content, but, all that + more, you can simply get in a week searching the web or following emacs tutorial. The best book to learn is simply (as "stated" in the book) is to ask Emacs what you need :p.

Anyone bought the "Mastering Emacs E-book"? : emacs
The Emacs Manual is 635 pages long, Mastering Emacs is 281 pages long, The pdf for just org mode is 303 pages long, the emacs lisp reference manual is 1165 pages long (to be fair it's an entire programming language). There are thousands of functions, a plethora of keybindings, and you can access most of them straight from the editor itself.

Just finished reading Mastering Emacs : emacs
A review of Mickey Petersen's "Mastering Emacs" book, for beginners

and advanced users 29 May 2016, by Artur Malabarba. I wish I had reviewed this book when it first came out, over one year ago. Alas, those were busier times and this piece of work deserved more than a short post hastily written between seminars and group meetings.

A review of Mickey Petersen's "Mastering Emacs" book, for ...

Mickey has long been famous—at least in Emacs circles—for his Mastering Emacs blog that covers the deeper aspects of Emacs in detail and helps Emacs users get the most from their editor. The book is written in the same style but is not merely a collection of old blog posts. No serious Emacser should be without it.

Mastering Emacs Update | Irreal

emacs is self documenting and this is a huge key into mastering it Knowing where to find the answers is the important part because: emacs knows best -- Your customizations can make it hard to find solutions online, so the best reference is your own emacs instance
