Ten Essential Maths Skills For Seven Year Olds

Maths: Age 6–7 (Year 2) In Year 2, your child will continue to develop their counting and calculation skills, learning different ways to multiply and divide. They will also extend their understanding of fractions. They will measure length, weight, volume, temperature, time and money, discover more about 2D and 3D shapes, and begin to learn about statistics.

Maths: Age 6–7 (Year 2) | Oxford Owl

Maths: Age 7–8 (Year 3) In Year 3, your child will continue to develop their understanding of numbers and start to calculate using formal written
