The definitive biography of a legendary athlete. The Shrug. The Shot. The Flu Game. Michael Jordan is responsible for sublime moments so ingrained in sports history that they have their own names. When most people think of him, they think of his beautiful shots with the game on the line, his body totally in sync with the ball -- hitting nothing but net. But for all his greatness, this scion of a complex family from North Carolina's Coastal Plain has a darker side: he's a ruthless competitor and a lover of high stakes. There's never been a biography that encompassed the dual nature of his character and looked so deeply at Jordan on and off the court -- until now. Basketball journalist Roland Lazenby spent almost thirty years covering Michael Jordan's career in college and the pros. He witnessed Jordan's growth from a skinny rookie to the instantly recognizable global ambassador for basketball whose business savvy and success have millions of kids still wanting to be just like Mike. Yet Lazenby also witnessed the Michael Jordan whose drive and appetite are more fearsome and more insatiable than any of his fans could begin to know. Michael Jordan: The Life explores both sides of his personality to reveal the fullest, most compelling story of the man who is Michael Jordan. Lazenby draws on his personal relationships with Jordan's coaches; countless interviews with Jordan's friends, teammates, and family members; and interviews with Jordan himself to provide the first truly definitive study of Michael Jordan: the player, the icon, and the man.

Don't miss this action-packed and informative look at the life and achievements of a basketball legend! Matt Christopher, the number one sports writer for kids, profiles basketball superstar Michael Jordan, covering his childhood, college career, rookie years, professional career highlights, and even his short stint in minor league baseball. Written in Matt Christopher's easy-to-read style and complete with incredible photos and Michael Jordan's key stats, this comprehensive biography will entertain and educate.

Explains the processes of American cultural imperialism in the age of globalization, using professional basketball as an example of hyper-capitalism.

The New York Times Bestseller, Now in eBook Format and Updated With a New Introduction This is the 20th anniversary of the explosive bestseller that changed the way the world viewed one of the greatest athletes in history, revealing for the first time Michael Jordan's relentless drive to win anything and everything, at any cost. NBA Hall of Fame columnist Sam Smith had unlimited access to the team and its players during their championship 1991-92 season, which he details in the new introduction, along with candid revelations about his sources, and the reaction from Michael, his teammates, the media, and the fans when the book blasted onto the bestseller lists in 1992 (where it stayed for three months). With more than a million copies in print, and just published for the first time in eBook format, The Jordan Rules remains the ultimate inside look at one of the most legendary teams in sports history.

Heart Over Height tells the motivational story of how three-time NBA Slam Dunk Champion Nate Robinson combined an unstoppable will with dogged determination to achieve his goals, and how those traits can apply to anyone facing their own seemingly insurmountable obstacles.

Ever since he joined the sports department of the Boston Globe in 1968, sports enthusiasts have been blessed with the writing and reporting of Bob Ryan. Tony Kornheiser calls him the "quintessential American sportswriter." For the past twenty-five years, he has also been a regular on various ESPN shows, especially The Sports Reporters, spreading his knowledge and enthusiasm for sports of all kinds. Born in 1946 in Trenton, New Jersey, Ryan cut his teeth going with his father to the Polo Grounds and Connie Mack Stadium, and to college basketball games at the Palestra in Philadelphia when it was the epicenter of the college game. As a young man, he became sports editor of his high school paper-and at age twenty-three, a year into his Boston Globe experience, he was handed the Boston Celtics beat as the Bill Russell era ended and the Dave Cowens one began. His all-star career was launched. Ever since, his insight as a reporter and skills as a writer have been matched by an ability to connect with people-players, management, the reading public-probably because, at heart, he has always been as much a fan as a reporter. More than anything, Scribe reveals the people behind the stories, as only Bob Ryan can, from the NBA to eleven Olympics to his surprising favorite sport to cover-golf-and much more It is sure to be one of the most talked-about sports books of 2014, by one of the sports world's most admired journalists.

When Dee Gerard signs on as the first woman to play in the NBA, chaos ensues as she tries to play her best game while spoiled young millionaires, personal relationships, and the press wreak havoc on her life.

"This work is divided into five sections--"The Author at Work and Home," "On Place and Region," "On Fugitives, Agrarians, and New Critics," "On Individual Authors" and "On Books and Schooling." In the essays Montgomery discusses the importance of place in

Photographs combine with Jordan's personal anecdotes and reminiscences to chronicle the life and times of the great basketball player, detailing his college and professional career, the murder of his father, and the business of basketball
