Milady's Master Educator, Third Edition provides the backbone of the instructor theory for the beauty and wellness educator. The text presents educators with the teaching skills and educational judgments necessary to become an effective and successful instructor. The content in Master Educator is designed for flexibility, being used in programs ranging from a basic overview of instructor training to programs that require more advanced teaching techniques. Presented in a conversational, easy-to-understand style, it uses many pedagogical features to emphasize important information and powerful teaching techniques. Master Educator serves the future instructor as a valuable, fundamental learning tool, and the seasoned instructor with the strategies needed to adapt to the changing landscape of classroom learning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady Standard Barbering, 6th edition, continues to be the leading resource in barbering education, providing students with the foundational principles and techniques needed to be successful while in school, pass their licensing exam, and launch them into a thriving career. Incorporating new photography, artwork and overall layout, the look and feel of this edition has been transformed, resulting in a sleek and clean design to engage and inspire today's student. Content has been updated within each chapter with a major focus on the procedures, infection control, life skills and business chapters, just to name a few. In addition, classic techniques have been paired with contemporary looks to ensure success both while in school and beyond to employment. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This is the primary student supplement to Milady s Master Educator. The Exam Review contains chapter-by-chapter questions in multiple-choice formats to help students prepare for their state board exams. The answer key at the back of the book allows students to check accuracy and identify weak areas.

Nail technology is an exciting and rewarding profession. Each year professional nail technicians perform more than \$6 billion worth of manicuring,

pedicuring, and artificial nail services for millions of fashion-conscious clients. The business of nails has grown enormously over the past five years and will continue to grow. Thus, the need for educated and competent nail technicians is expanding in the same way. Milady's Standard: Nail Technology is the complete guide to basic nail technology that every professional nail technician needs. - Preface.

Milady Standard Natural Hair Care and Braiding is designed to be the training resource of choice for individuals committed to nurturing textured hair and providing excellent natural hair care services. This book introduces the technical and creative aspects of braiding, styling, and grooming hair that is naturally curly, kinky, or multi-textured. Also included, are 17 procedures with step-by-step photos and detailed instructions in techniques for styling and grooming natural hair and natural hair additions. This is a "must have" for those who are serious about developing a wide range of services and building a broad, diverse client base--crucial elements for success in the flourishing hair care industry. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Theory and Practice of Therapeutic Massage, 5th edition is the classic text in the massage industry including the essential knowledge and skills needed to become a successful, professional massage therapist, plus the essentials of anatomy and physiology. Essential topics to the industry such as ethics, hygiene, communication skills, and body mechanics are discussed. Full-color illustrations and photographs clearly illustrate techniques and procedures. Classical massage is expanded with clinical techniques including neuromuscular and myofascial techniques, and lymph massage, combined to better serve the client by following therapeutic procedures. Numerous career tracts are explored including massage in a spa environment and athletic massage. A new chapter discusses massage for special populations including pre-natal, infant, elder, critically ill, people with cancer, and hospice. The final chapter has been revised to cover business practices for finding employment or successful self-employment. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Provides questions and answers similar to what is found on state licensing exams in cosmetology.

This is the primary student supplement to Milady's core disciplines: Cosmetology, Nail Technology, Esthetics, and Barbering. Each contains chapter-by-chapter questions in a multiple-choice format to help students prepare for their state board exams. An answer key at the back of the book allows students to check accuracy and identify weak areas.
