"Lead Generation for Real Estate Professionals" What's the best part of being a real estate professional? Is it: \* The "roller coaster income cycle. . . Broke one month and prosperous the next? \* How about those long weekends you spend in a strangers home hoping someone will come for the open house? \* How about the long boring hours you have to spend in the office just hoping the phone will ring? Okay, sure we're being facetious. But sometimes a little sarcasm goes a long way toward painting a picture. If you can relate to any part of the above, you need help! It

doesn't matter if you are new to the real estate profession or a seasoned veteran there is one thing you have in common. Before you can sell any property you have to have prospects. . .or "listings" as they are referred to in the business. Did you know that according to a study of actual closed sales, only .5% of the Realtors polled said that their closing came as a result of an "open house?" If you are putting all your prospecting eggs in that basket you will have to see at least 200 people in order to make a sale! Have you ever wondered why it is that sets certain real estate agents apart from all the others? They seem to work less and earn more than their counterparts. They never hold an open house, they never do floor work, they are consistently top producers and they make selling real estate seem easy! There really isn't a magic bullet. The answer is prospects! Land the deals you want and develop your instincts with million-dollar negotiation techniques After selling over \$3 Billion in real estate, including the most expensive one-bedroom house in history, Josh Altman, co-star of the hit show Million-Dollar Listing Los Angeles, wants to teach you the real estate sales and negotiation tactics that have made him one of America's top agents. Buying or selling a house, whether for a client or yourself, is one of the most important (and most stressful) deals anyone can make, demanding emotional intelligence and a solid set of negotiating skills. But by

mastering the same techniques that sell multi-million-dollar homes in Bel Air and Beverly Hills, you can attract buyers and close deals on any property. Josh breaks down the art of real estate into three simple parts. First, he'll help you get business in the door during the Opening. Then he takes you step-by-step through the Work: everything between the first handshake and the last. And finally, the Close, the last step that ensures all your hard work pays off as you seal the deal. Learn how to open with a prospect, work the deal, close, open, and repeat Build and market your reputation, creating more sales opportunities Develop the traits of a closer in you and your team Drive the deal forward and get the best price for your property by creating desire, scarcity, and demand Successful real estate sales are driven by the same principles, whether they happen in the Hollywood Hills or just

The Millionaire Real Estate Mindset: Mastering the Mental Skills to Build Your Fortune in Real Estate There are scores of books on real estate investing on the market today, and most give sound information and helpful advice. Yet few people have become wealthy. In *The Millionaire Real Estate Mindset*, Russ Whitney asks, "Why isn't everyone rich?" and perhaps more important, "Why aren't you rich?" What is missing in most people's real estate strategy, Whitney says, is the millionaire real estate mindset. And, in this book, he tells readers exactly how to develop one. Whitney explains how you can break free of the fears that hold so many people back. A key part of succeeding in real estate, Whitney claims, is a willingness to spend time educating

yourself about the various techniques, options, insights, and possibilities it entails. Other professions and trades require years of education and practice before you can hope to generate significant income. Building wealth in real estate requires similar focus and dedication. He provides specific investing strategies that can work in virtually any market, whether you have cash to start, or not. Once you have a few successes under your belt, he encourages investors to move up to larger deals. He explains the complexities of raw land investing and development as well as international real estate investing. He examines a variety of funding techniques, from no-money-down to syndications to make the wisest use of your cash. Whitney candidly discusses what can go wrong and how to anticipate and address unpleasant surprises. From invaluable insights into personal
